 - (iv) If it is found to have fraudulently drawn or tried to draw advertisement bill by publishing advertisement (s) without sanction of the competent authority.
 - (v) If it is found to have fraudulently published an advertisement of a Government Department or Public Sector undertaking without being channelized through the Director of Information and Public Relations.
 - (v) If Annual Return is not furnished by it as required under clause 7.3 and 7.4.

9. **Budget Allocation :**

- 9.1 The State Government shall allocate adequate fund provision to the Directorate of Information and Public Relations in the beginning of the financial year so as to clear the advertisement bills of the newspapers, periodicals and other media houses on a quarterly basis.
- 9.2 The Financial Liability created on account of advertisements in a Financial Year will be restricted strictly within the budget provision for that particular year unless government decides otherwise specifically.

10. **Procedure for Release of Advertisement :**

- 10.1 All Classified and Display advertisements of the Government shall be routed through the Director of Information & Public Relations only.
- 10.2 All Government Departments and public undertakings shall send their classified as well as display advertisements to the Director of Information & Public Relations by e-mail or by special messenger before seven days or earlier from the intended date of publication along with administrative approval of the advertisement. However, advertisements related to law and order, natural calamities and of urgent in nature can be sent to DIPR a day before the intended date of publication.
- 10.3 Under no circumstances, Government Departments shall issue advertisements directly to newspapers/periodicals etc. Payment of advertisement bills of state government departments shall be made by the Director of Information & Public Relations after being satisfied that the advertisement was carried out as per the provisions of the guideline.
- 10.4 The advertising departments shall not issue more than two corrigenda relating to any particular advertisement.
- 10.5 In case of wrong publication or printing mistake, the newspaper/journal/weekly publication houses will re-publish the advertisement in the very next issue free of cost.

11. **Budget and Non-Budget Advertisements :**

- 11.1 **Non-Budget Advertisement :** Offices/Departments/Public Sector Undertakings that undertake special programmes or centrally sponsored schemes with separate budget provision for Publicity and Advertisement purposes shall also issue advertisements through the Directorate of Information & Public Relations at approved rates as per their requirements. Such advertisements shall be placed under "Non-Budget Advertisement" section as the state government cannot estimate and provision their budgetary requirements.

11.2 The number of newspapers/periodicals for publication of advertisements related to such schemes shall not be restricted by the Director of Information & Public Relations. Bills of such advertisements will be paid by concerned departments/offices after scrutiny and issuance of a certificate by Director of Information & Public Relations on satisfactory publication of the advertisement.

11.3 **Budget Advertisement:** Advertisements for state government schemes, tenders, job recruitments and advertisements of similar nature specific to state government programmes will be placed under Budget Advertisement for which payment will be made by DIPR on behalf of the State Government.

11.4 The Department of Information and Public Relations will prepare budgetary estimate of such schemes and will place it to government for grant of required fund.

12. **Issue of Advertisements in Souvenir etc. :**

Request for advertisement in souvenir of any organizations of good repute will be examined by the Director of Information & Public Relations on merit and may be allowed subject to availability of budget provision. However, rate of such advertisement will be limited to ₹ 5,000 for general and ₹ 10000 for State level organizations. Issue of advertisements to national and International organizations requiring fund of above ten thousand shall be referred to the Secretary IPR for approval.

13. **Rates of Advertisement :**

13.1 Advertisement rates shall be fixed by the Government which shall be followed while processing for payment of the bills.

13.2 Advertisement rates will be fixed taking into consideration the various parameters such as circulation, size and area covered etc. by a committee of the Government and such rates may be revised as per direction of the Government as and when necessity arises for such revision.

13.3 Any representation for enhancement of the rates fixed may be placed before the Secretary of IPR Department within a period of one month from the date of communication of such rates. The decision of the Secretary will be final in this regard.

13.4 In case of newspapers/periodicals of other states or having Metropolitan editions, Directorate of Advertising and Visual Publicity (DAVP), Government of India rates will be applicable or as may be decided by the State Government.

13.5 All Departments shall ensure that Administrative Approvals for all advertisement proposals are obtained from respective competent authorities before endorsing them to DIPR for release. This is applicable for both Display and Classified Advertisements and this record of Administrative Approval along with date of approval shall be endorsed to DIPR in the forwarding letter.

14. **Power of the State Government to Call for the records. :**

Notwithstanding anything contained in this "Policy Guidelines", the State Government may at any time call for records in any matter relating to issue of Government advertisements and issue such orders as the Government may deem fit and proper. The Government's decision in this regard shall be final.

GUIDELINES FOR ISSUE OF GOVERNMENT ADVERTISEMENTS

No. IPR/ADVT(Advt) policy-37/2016.—The Governor of Arunachal Pradesh is pleased to approve the following guidelines to regulate the issue/ release of Government advertisements (classified and Display) to the print media :

1. As per the Arunachal Pradesh Advertisement Policy, 2018, all Government departments/offices, Semi-Government institutions/organizations, Public Sector Undertakings/Non-Government Organisations (NGOs) funded by the state Government shall channelize all their advertisement (classified and display) invariably through the Directorate of Information and Public Relations.
2. All concerned offices/departments shall plan in advance for release of any advertisement and obtain necessary administrative approval from the competent authority and vetting from Law and Finance department as the case may be.
3. All advertisements, classified or display shall be sent to DIPR by e-mail or by special messenger in hard copy as well as in word file (editable soft copy) before seven days from the intended date of publication in the newspapers, except of those related to law and order problems/ natural calamities and matters of urgent nature requiring immediate attention.

4. The issuing authority/department shall specifically mention in the covering /forwarding letter the number of newspapers to which the advertisement are to be released. In case of ambiguous forwarding without mentioning the number of newspapers it shall be taken as more than one newspaper and shall be released to at least two local dailies.
5. Any advertisements, display or classified shall not be issued to more than three local dailies. While issuing advertisements particularly tenders, all departments need to follow Provisions under General Financial rules (GFR) for maximum publicity. One national or regional daily as the case may be can be included on requisition from the concerned office/ department or as deemed fit by the DIPR. This restriction shall not apply to advertisement of general nature issued by DIPR on special occasions of importance for which prior administrative approval is obtained.
6. In cases where departments want their advertisements to be carried in certain newspapers on the ground of maximum possible publicity and reach in the intended target area, the advertisements will be released as per their requirement in one chosen newspaper in addition to issuing the same in another newspaper as per roster system.
7. Any empanelled local newspaper found to be publishing any government advertisement without being routed/ released through DIPR shall be barred for government advertisement for ten days for first instance and shall be liable for cancellation of empanelment on repeat violation.
8. No Government Department or DIPR shall make payment for the bills of advertisements which were issued in the newspapers/periodicals which are not channelized through the nodal agency, the DIPR, unless it is duly approved by the Secretary IPR, after assessing the genuineness and urgency of the advertisement.
9. Advertisements which are general in nature and are not time bound shall be released to local empanelled weeklies and other periodicals by DIPR in consultation with the client department.
10. The payment of advertisement bills of general nature and of schemes funded by the state Government for which no separate fund has been earmarked shall be made by the DIPR.
11. Advertisement bills of Central Government schemes for which separate fund for publicity is provided shall be forwarded to the concerned office/departments for payment.
12. All the Newspaper agencies shall submit a copy of the newspaper containing the advertisement released by the Govt. to the advertisement section of DIPR immediately as an acknowledgment and along with the bill on the next day after the advertisement is published.

The 8th March, 2018

No. FOR.220/IND/2005/Royalty/4391-4591.—In exercise of the powers conferred by section 34(2)(h) of the Assam Forest Regulation 1891 (VII of 1891) read with the State of Arunachal Pradesh adaptation of Law order (No.2) 1988, the Governor of Arunachal Pradesh is pleased to prescribe rates of royalty as below on Forest Produce collected from any land/forest at the disposal of Government of Arunachal Pradesh. The revised rates of royalty shall come into effect from 08/03/2018. This supersedes earlier notification issued under Memo No.FOR.220/IND/2005/Royalty/30217-80 dtd. 30.12.2013.

2. The rates of royalty on round timber per cum. for various classes of species shall be as :

Class	Rates of royalty by enhancing 26% over the rates of 2013 on Class A I to A IV and D to F and 15% over B- C classes	
	Mid-girth over bark 61 centimeter and above and less than 122 centimeter and of all lengths per Cu.M (in ₹)	Mid-girth over bark 122 centimeter and above and of all log lengths per Cu.M (in ₹)
A-I	3978	9926
A-II	4779	11939
A-III	4080	10196
A-IV	2046	5119
B-I	1300	3241
B-II	868	2164
C	652	1639
D	480	1192
E	384	975
F	195	504

Mid-girth over bark shall be measured at the middle of the log. For logs above 365 Cms in length, mid-girth however will be measured at 183 Cm from butt end. The cubic content of log will be calculated by multiplying square of quarter girth with length of log i.e $(G/4)^2 \times L = \text{Volume}$.

For debarked logs, the rates will be ten percent higher and for dressed logs, the rates will be thirty three percent higher than the above rates. Rates for sawn timber will be double the above rates for logs having mid girth over 122 Cm and above.

3. RATES OF ROYALTY ON POLES

The poles are round timber with less than 6l cm girth over bark at mid point. The rates are in rupees (₹) per piece.

Class	Rates of royalty	
	Of length more than 4 meter (in ₹)	Of length up to and less than 4 meters (in ₹)
A1	26	14
A2	40	21
A3	40	21
A4	35	18
B1	16	13
B2	16	13
C	13	13
D	9	9
E	8	5
F	8	5

For debarked poles, the rates will be ten percent higher and for dressed poles, the rate will be thirty percent higher than above rates. Length of poles in fraction of half meter or more will be taken into the next higher numerical unit of length in assessment of royalty.

4. RATES OF ROYALTY ON OTHER FOREST PRODUCE:

The rates of royalty on other forest produce are as given below :

DEPARTMENT OF TOURISM
ITANAGAR**

ARUNACHAL PRADESH ECO-TOURISM POLICY

1. Preamble :

Arunachal Pradesh, the land of Dawn situated between latitudes 26° 30'N and 29° 30'N, longitudes 91° 30'E and 97° 30'E with a geographical area of 83,743 sq.km is the largest State in North East India and is bounded by Bhutan to the west, China to the north-east, Myanmar (Burma) to the east and the plains of Assam to the south. The state lies in the eastern part of the majestic Himalaya mountain range and is identified as a globally important region for biodiversity. Due to varied climatic conditions and altitudes the state supports rich vegetation and wildlife with unique ecosystems ranging from tropical forests to alpine meadows to snow clad mountains. With 80% of its geographical area under forest cover, the state is custodian to over 5000 flowering plants, 200 mammals, 850 birds and 79 reptiles. The cultural diversity of Arunachal Pradesh is also unique and of immense importance as the state is the home of 26 major tribes and 110 sub-tribes with a rich culture closely linked with nature. Arunachal Pradesh is acknowledged to be one of the most splendid, variegated and multilingual areas of the world.

The local indigenous communities of Arunachal Pradesh, until a few decades ago lived more or less in isolation due to geographical barriers formed by hills, mountains and mighty rivers. Based on available diverse natural resources in the area under their jurisdiction, their traditional lifestyle flourished with innovation and rich knowledge system encompassing natural resource management, agriculture and animal husbandry techniques as well as sound community governance institutions.

However, with enhanced communication, mainstream development programmes and schemes, 'modern' education and, a plethora of externally driven laws, policies and rules and governance structures; rapid transition has cascaded in every walk of life. This change as perhaps elsewhere in the world has been a mixed bag of positive and negative drivers seeping in the family, community structures and society at large. The growing socio-economic inequity has taken a due toll on the erstwhile harmonious relationship with earth and depletion of diverse natural resources of the state is increasing rapidly. It is therefore important to promote development models for the state which combine livelihood development that is more inclusive and at the same time promotes conservation of natural resources.

Tourism is the world's largest and fastest sector of global economy and within the tourism sector, one of the most rapidly growing areas is that of ecotourism. Ecotourism is defined as "responsible travel to natural areas that conserves the environment and improves the well-being of local people" (TIES, 1990). Promoting ecotourism in Arunachal Pradesh as opposed to the conventional model of mass tourism will have many advantages for the state. It will help conserve and promote the state's rich natural and cultural heritage, it will reduce negative impacts of mass tourism and will have lower infrastructure costs, it will help diversify and spread income generation to the village level, and will create a niche for Arunachal Pradesh globally and nationally as a centre for community-based ecotourism.

Considering the rapid increasing trend of tourists coming to the state, from 2,178 in 1999 to 2,31,252 in the year 2010, it is necessary to formulate an ecotourism policy for the state which will enhance livelihoods for the local communities while ensuring conservation of rich natural and cultural heritage of the state. The policy will help to promote, guide and regulate tourism in a manner that benefits the local communities without compromising the ecological well being of the state.

2. Policy Vision :

To develop Arunachal Pradesh as premier national and global ecotourism destination providing a unique and memorable wilderness and cultural experience to visitors while enhancing the economic well being of local communities and securing the natural and cultural values and viewed as tool for sustainable development of the state.

3. Policy Objectives

- 3.1 Ensure conservation of the existing biodiversity, ecosystems and religious monuments/Sacred grooves of the state as well as people's culture and tradition.
- 3.2 Generate awareness among local communities to increase their pride and appreciation for local natural and cultural values.
- 3.3. Ensure active involvement of the local and indigenous communities in ecotourism planning, development and implementation.
- 3.4 Identify and promote ecotourism sites within and outside protected areas by diversification of a range of ecotourism activities.
- 3.5. Develop standards and norms Ecotourism Certification specific for the state.
- 3.6. Guide the development of permissible and ecologically sound ecotourism infrastructure.
- 3.7. Enunciate a mechanism to establish partnerships between all stakeholders to develop and promote ecotourism.
- 3.8. Build capacity of all stakeholders in natural and cultural heritage interpretation, hospitality, business and communication skills to successfully and sustainably manage ecotourism.
- 3.9. Enable the development of a sustained and effective marketing strategy and plan.

With the ultimate Goal of :

- (a) Conserving the natural and cultural diversity of the state.
- (b) Promoting Arunachal Pradesh as the premier ecotourism destination.
- (c) Securing economic benefits for the local communities without adversely affecting their cultural ethos or ecological security.

4. Guiding Principles :

The guiding principles for promotion of ecotourism in Arunachal Pradesh will be as follows :

Principle 1 : Local culture and nature focused : Visitors would have the opportunity to experience local cultures and natural diversity without disturbing their existence.

Principle 2 : Community based : In all cases, active participation of local communities in planning and managing ecotourism related activities would be ensured.

Principle 3 : Enhanced visitor experience : Visitors would leave with an enhanced experience of ecotourism and community based tourism.

Principle 4 : Conservation of cultural and biological diversity: All ecotourism activities would contribute to the conservation of biodiversity and cultural diversity of the state.

Principle 5 : Benefits to local communities : Direct benefits to local communities from ecotourism related activities and equitable benefit sharing among community members would be ensured.

Principle 6 : Low impact tourism : Negative impacts of tourism on the state's rich biological and cultural diversity would be minimized by providing a code of conduct for all stakeholders and limiting tourist numbers in sensitive areas by developing transparent system of rules and monitoring mechanism.

Principle 7 : Multi-stakeholder convergence : Collaboration and cooperation between local communities, tour operators, government departments and other key players in the development and promotion of ecotourism in the state would be enabled.

5. Implementation Strategies :

Arunachal Pradesh Ecotourism Development Society will be constituted to oversee and implement this policy. The Society shall be assisted by Forest Department, Tourism Department and other Government Departments in implementation of the Ecotourism Policy and strategies. The Society shall be equipped with the required technical and financial resources to implement the policy. The Society will coordinate with local, national and international stakeholders for planning, developing and implementing projects compatible to the policy.

Strategy 5.1 : Identification of potential ecotourism sites :

- 5.1.1. Within each approved Tourist Circuit, sites with potential attractions to promote as ecotourism activities will be selected.
- 5.1.2. For promotion of sites within Protected Areas, identification of ecotourism zone as per applicable guidelines will have to be first demarcated.
- 5.1.3. Possible activities/attractions for visitors in identified sites will be listed for the promotion. Some of activities/attractions that could be promoted are :
 - (a) Special Interest Nature Trails (Bird watching, medicinal plants,
 - (b) Flowering plants, caving, butterfly tour, bamboo etc.)Forest walks

- 5.4.4. Visitors will pay directly to the Committees as per the rate approved by APEDS which will be then handed over the individual villagers who were involved by committee for services.
- 5.4.5. The Committee will maintain proper accounts and will do annual reporting and auditing of income and expenditure from ecotourism.

Strategy 5.5 : Linkages with key stakeholders :

- 5.5.1. Establish partnerships with local key stakeholders to develop and promote ecotourism business as per approved guidelines in the state.
- 5.5.2. Establish partnerships with tour operators, experts and institutions at national and international level for promotion of ecotourism.
- 5.5.3. Organize regular seminars and workshops to discuss and deliberate on ecotourism achievements with key stakeholders and for feed back to improve quality of facilities and services.
- 5.5.4. Hold annual meetings of Coordination Committees, village level Ecotourism Management Committees and government officials in each approved tourist circuit for assessment of achievement and impact of ecotourism being promoted.

Strategy 5.6 : Promotion, marketing and publicity :

- 5.5.1. Branding of state with tag line and brand ambassador for promotion of ecotourism.
- 5.5.2. Create a marketing cell within APEDS which work in coordination with tour operators, village level committees for ecotourism marketing.
- 5.5.3. Participate in national and international tourism seminars, MARTS, conference, exhibitions, etc.
- 5.5.4. Develop appropriate packaging and branding of ecotourism destinations.
- 5.5.5. A website will be established by competent authority to promote and coordinate the marketing of ecotourism which will also have direct link between service providers and the visitors with provision of online booking and payment mechanism.
- 5.5.6. Tie up with travel TV programs, magazines, travel books etc. for promotion and marketing.
- 5.5.7. Establish linkages with tourist offices of Government India abroad, international and national travel agents.
- 5.5.8. Develop brochures, posters, short films, etc. for marketing and promotion.
- 5.5.9. Plan transparent pricing system for the visitors and service providers.
- 5.5.10. Promotion of Ecotourism Circuit organization of Annual Fix date Ecotourism Festival.
- 5.5.11. Develop site based educational and interpretation materials for all stakeholders.

Strategy 5.7 : Research and Monitoring :

- 5.7.1. Regular monitoring is mandated to understand visitors' impact on the environment and local communities.
- 5.7.2. Research is required to be carried out to generate new knowledge, insights and modalities for sustainable ecotourism.
- 5.7.3. Mechanism for feedback from the visitors with option in website and also handing over a feedback form to visitors along with RAP/ILP which can be deposited in various check gates and nearest tourism and forest department offices after the completion of tour.

Strategy 5.8 : Safety and Security :

- 5.8.1. Develop linkage of tour operators and travel agents with an authorized Insurance Agency to have insurance for the clients to cover the risk of accidents and injuries during the trip.
- 5.8.2. Ensure insurance of service providers including camp managers, porters, guides and cooks to cover risk of any accident and injuries during their trip with visitors.
- 5.8.3. Organize training workshops for guides and camp managers on risk management, first aid, rescue operations.

6. Institutional Mechanism :

In Arunachal Pradesh more than 60% of the total forest area is under the traditional control of local indigenous communities and nearly 40% under the administrative jurisdiction of the State Forest Department. Thus, unlike many of the ecotourism sites in India which are either within Protected Areas or in areas under the jurisdiction of the state Forest Departments, in Arunachal Pradesh a significant number of potential ecotourism sites are in areas where local indigenous communities have traditional ownership and user rights. This provides a unique opportunity to promote ecotourism as viable conservation incentive to the secure economic and ecological security of local communities of the state.

An ‘Arunachal Pradesh Ecotourism Development Society’ (APEDS) will be constituted with the mandate to promote and regulate ecotourism in areas within and outside Protected Areas of the state and will work in close coordination with the Department of Environment and Forest and the Department of Tourism.

An **Arunachal Pradesh Ecotourism Development Society** (hereinafter referred as the ‘Society’) will have it’s Headquarters at Itanagar (office site to be decided in consultation). The Society will have a General Body for overall policy guidance and direction and an Executive Body for the promotion and regulation of ecotourism in the state. For every approved Tourist Circuit of the state, Coordination Committees will be constituted who will work with APEDS for the circuit specific promotion of ecotourism. Village level Ecotourism Management Committees and Eco-development Committees will be constituted which will work under the guidance of the Coordination Committees and APEDS to provide services to visitors and manage the facilities established for promotion of ecotourism.

6.1. Functions of the Society :

The Society will provide a platform for stakeholders to work towards the development of ecotourism in the state and, through the Coordination Committees and village level Ecotourism Management Committees, will have the following functions :

- 6.1.1. Identification of potential ecotourism sites in each approved Tourist Circuit of the state both within and outside Protected Areas.
- 6.1.2. Develop site specific Action Plans for the circuits in consultation with key stakeholders and based on global ecotourism models and guidelines.
- 6.1.3. Develop ecotourism facilities like Interpretation Centers, Trekking Trails, Camping Grounds, Village Camp Sites, Home Stays, Trekkers Huts, Dormitories, etc. based on the Action Plans.
- 6.1.4. Develop the capacity of local villagers to extend world class service to visitors and manage various ecotourism facilities for their economic development.
- 6.1.5. Facilitate development and revision of policies and guidelines for promotion of ecotourism for the state government in consultation with key stakeholders.
- 6.1.6. Assist the state government to develop rules, regulations, guidelines, rates of services, etc. in consultation with key stakeholders.
- 6.1.7. Monitor quality of services and facilities offered to visitors to ensure implementation of the ecotourism in the state as per approved guidelines and assists concerned departments with enforcement of regulations.
- 6.1.8. Assist Department of Environment and Forest and Department of Tourism to take appropriate action to minimize the negative impact of tourism on biodiversity and cultural diversity in the ecotourism sites.
- 6.1.9. Develop project proposals for funding from State Government, Central Government and other agencies to carry out various activities for the promotion of ecotourism in the state.
- 6.1.10. Develop different types of publicity and outreach materials (posters, brochures, website, signage etc.) and establish links with national and international tour operators for marketing of ecotourism products of the state.

The **Governing Body** of the Society will be constituted of the following ex-officio members :

The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD), Government of Arunachal Pradesh shall be followed for calculating the restoration charges. Such charges shall be deposited in the advance in the form of valid applicable financial instrument/digital payment mode within period of 30 days from the date of grant of the permission and prior to the commencement of work of laying the underground telegraph infrastructure. An amount equal to restoration charges as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road portion. The period can be extended based on the requirement :

Provided that no other charges, (except above-mentioned restoration charges and relevant administrative charges prescribed under Para -9 and 10), like User Charges etc. shall be levied on the licensee.

- (iv) Laying OFC through Micro :- Trenching Method shall be allowed during monsoons, provided that the applicant takes all security measures and makes arrangements for immediate restoration of the damage caused.
- (v) Supervision of the work :-
 - (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee ;
 - (b) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance/depth of the laid OFC.
 - (c) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :

Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.

- (d) Bank Guarantee shall not be released to the Licensee till the road asset is not restored to original state.
- (e) Only pits of approximate size 1.5mtr.x1.5mtr.x1.5mtr. depth or as per requirement at site shall be excavated in the roads where optical fiber cables are to be laid, at a distance of not less than 100 meter. The pits shall be refilled only with granular material and shall be compacted as per the specifications. The pits/trenches shall be reinstated within 48 hours, repeat shall be reinstated within 48 hours, after the work at that location is over, failing which, penalty as applicable as per the guidelines for trenching activities shall be applicable besides the cancellation of permission etc.
- (vi) Number of ducts under the roads for which permission shall be granted as per requirement of the licensee.

- (vii) The licensee shall ensure provision of positional intelligence, through appropriate technology, of all underground telegraph infrastructures to enable the Land Owning Agency and Nodal Officer to obtain real time information on its location.
- (viii) The licensee shall carry out Ground Penetrating Radar (GPR) survey wherever necessary along the route where the ducts shall be laid for detection of existing utilities. The data of utilities collected by the licensee through GPR survey should be unconditionally shared with land owning body and the Nodal Officer, free of cost.
- (ix) No damage shall be caused to any underground utilities while laying the ducts by using Horizontal Directional Drilling (HDD) methodology. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (x) Ducts shall be laid as per DoT mentioned specifications.
- (xi) The cost of shifting conduits/OFC, wherever required, shall be borne by the licensee and instructions of Local Body in this respect shall be complied within the time frame fixed by the concerned Local Body.
- (xii) Land Owning Agency shall not be responsible for any damage to OFC and resultant losses, if any, due to any act of employee of Governments or Land Owning Agency, while performing official duties. However, prior written intimation shall be given by the Land Owning Agency to the licensee. In case local body executes the work and causes enough damage which may disrupt the service, then local body shall be liable to pay the penalty to the licensee due to physical damage only as determined by the State Public Works Department.
- (xiii) The licensee shall make proper arrangement for access control of the chambers to avoid misuse/illegal use of ducts and the chambers.
- (xiv) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter X 1 meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (xv) The licensee shall ensure that,-
 - (a) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
 - (b) Structural safety of over-ground infrastructure are implemented ; and
 - (c) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

6. Terms and conditions for granting permission to lay Overhead telegraph infrastructure (OFC) :

- (i) The licensee shall obtain necessary permission for laying optical fiber cable (OFC) network/Overhead telegraph infrastructure and taking fiber to home along Electrical Poles from the Nodal Officer of concerned appropriate authority ;
- (ii) The work shall be started from the outer areas of the city and then to the core area ;
- (iii) Damages of roads or poles caused during the laying of Overhead telegraph infrastructure and taking fiber to home shall be repaired by the concerned local body/Land Owning Agency and the entire expenses, for restoration of damaged road or Power Infrastructure shall be charged by the local body/Land Owning Agency from the licensee. Charges for such expenses shall be fixed by the State Government from time to time, on the basis of applicable schedule of rates for works for similar nature. The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD)/Power Department, Government of Arunachal Pradesh shall be followed for calculating the restoration charges. **An amount equivalent to 30% of the estimated total charges of the restoration cost of damages shall be deposited in advance in the form valid applicable financial instrument/digital payment mode before grant of any permission and 70% of the restoration charges shall be deposited within 30 days from the date of grant of permission prior to commencement of works of laying the overhead telegraph infrastructure.** An amount equal to restoration charges as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road or Power Infrastructure. The period can be extended based on the requirement :

Provided that no other charges, (except above-mentioned restoration charges and relevant administrative charges prescribed under Para -9 and 10), like User Charges etc. shall be levied on the licensee.

- (iv) Laying Overhead OFC along Electrical Poles:- Power Distribution network of the State from Power Department, Government of Arunachal Pradesh should be the point of reference for all planning of Overhead OFC laying work in the State.
- (v) Supervision of the work :-
 - (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee ;

- (f) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance of the laid OFC
- (g) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :
 Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.
- (h) Electrical Poles, if unusable/damaged for Overhead cable laying, can be replaced by the licensee with prior permission from Power Department and intimation to Dept of IT & C.
- (i) In case of damages caused while carrying out Overhead OFC work, the infrastructure shall be reinstated within 48 hours, failing which, penalty as applicable as determined by the SLMC Overhead OFC laying activities shall be applicable besides cancellation of permission etc.
- (vi) No damage shall be caused to any overground utilities. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (vii) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter X 1 meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (viii) The licensee shall ensure that,-
 - (d) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
 - (e) Structural safety of over-ground infrastructure is implemented ; and
 - (f) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

7. Application for permission :

- (1) Application (in duplicate) for **permission for establishment of over-ground telegraph infrastructure** or for its renewal shall be submitted to the Nodal Officer in the Form-1 along-with following documents.-
 - (i) A copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee to a particular Nodal Officer defined under rule 2 of these guidelines.
 - (ii) Location map from any publicly available source (scale 1:1000) showing the site with its latitude-longitude. Licensee shall share all new and existing GIS map of OFC routes and towers with the Department of IT & Communication and DTC.
 - (iii) The detailed technical design and drawings of the tower/post or other aboveground infrastructure including the specification of foundation. In case the tower/ post etc. is within 100 meter aerial distance of high or low tension line, then its distance from the same shall be clearly indicated in the drawings.
 - (iv) Copy of Structural Stability Certificate for the building and tower/post obtained from any authorized Structural Engineer, or/from recognized institute or a Structural Engineer registered or employed in Central or State Government Service or a Quasi- Government Organization or any other agencies authorized from time to time by the State Government.
 - (v) Copy of No-objection Certificate issued by the Fire Safety Department in case of high rise buildings where fire clearance is mandatory.
 - (vi) Copy of SACFA clearance/copy of SACFA application for the said location submitted to Wireless Planning and Coordination (WPC) wing of DoT with registration number as WPC acknowledgement along with undertaking that in case of any objection/rejection, licensee shall take corrective actions/remove the tower.
 (Note : - the copy can be submitted to the Nodal Officer as soon as the location is finalized and the tower is installed).
 - (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest department, if applicable.
 - (viii) Acknowledgement receipt issued by TERM Cell on the basis of self- certificate submitted by licensee in respect of mobile tower/Base Transceiver Station (BTS) establishing/certifying that all general public areas around the tower shall be within safe Electro Magnetic Radiation (EMR) exposure limit as per peak traffic measurement after the antennas starts radiating.
 (Note : - It can be submitted within 30 days after radiating the tower).
 - (ix) Copy of the type test certificate issued by Automotive Research Association of India (ARAI) to the manufactures of the DG sets.

- (x) Ownership title document of the building/site needs to be submitted. (Self attested copies). However, production of Patta/approved map should not be insisted upon but in specific cases such documents if required then same needs to be submitted.
 - (xi) Attested copy of Lease Agreement Deed/Consent Letter, signed by the applicant and the owner of the site/building.
 - (xii) The Nodal Officer/ Land Owning Agency may also seek the copy of No Objection Certificate (NOC)/ Consent Letter from building owners/entities/societies having roof top rights in case of roof based tower or from land owner in case of ground based tower.
 - (xiii) In case the permission is sought in the land/premises of any office of Central Government or a PSU of Central Government, the prior written consent or copy of agreement from the authority having legitimate right over the land/premises shall be attached with the application.
- (2) Application for **permission to lay underground telegraph infrastructure or taking fiber to home in the right of way** shall be submitted to the Nodal Officer in Form-2 along-with following documents,-
- (i) A copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee/IP.
 - (ii) the location map showing the proposed underground telegraph infrastructure including route planned, exact latitude and longitude, nature of land.
 - (iii) the copy of consent of the owner of land/building where the OFC/telegraph infrastructure proposed to be laid ;
 - (iv) certificate by a structural engineer (as mentioned in Para 5(1) (iv)) attesting to the structural safety of building where the post or other above- ground contrivances is proposed to be established on a building ;
 - (v) the detailed technical design and drawings of the post or other above- ground contrivances (in case of over-ground cabling) ;
 - (vi) the copy of approval issued by the DoT for locations of the above-ground contrivances proposed to be used for the transmission of Radio waves or Hertzian waves (in case of over-ground cabling) ;
 - (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest Department, if applicable.
- (Note :-NOC of Forest Deptt. would not be required in areas not covered under Forest/ Protected Areas.)
- (3) The licensee shall submit a copy of receipt in proof of the payment of application fee and other charges as prescribed under these guidelines.
 - (4) The licensee shall furnish such other relevant information as may be required by the Nodal Officer or as the State Government may direct.
 - (5) The licensee may also submit the soft copy of the application along with all the forms, statements and documents.
 - (6) Application, if the licensee desires, may be submitted On-line in cases of such appropriate authorities, wherever they have proper arrangements for this purpose till the time Department of IT & Communication come up with a common on-line platform for the State for receipt/processing of application. Department of IT & Communication shall develop the same within -3 months from the date of notification of these guidelines.
 - (7) In cases where applications for permission for establishment of telegraph infrastructure has been submitted under erstwhile Order/s of the State Government for new as well as existing telegraph infrastructure but permission has not been issued, then in such cases, there would be no need to submit fresh application. However, any documents required under these guidelines, but not submitted earlier, shall be submitted along-with the fee/charges under these guidelines. The Nodal Officer shall issue the permission in accordance with these guidelines. The fees/charges paid earlier shall be adjusted and such pending application should be disposed of within 30 days from the deposit of remaining fee/charges and submission of remaining documents. In case the fees paid is excess the same shall be refunded to the applicant. In case the permission has not been granted in 30 days, the Licensee shall re-approach the Nodal Officer after the 30th day from the submission of the complete application on which Nodal Officer will be required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.
 - (8) All applications received by the Nodal Officer shall be entered in a Register in Form-3 and shall be maintained for record.

7. Examination and scrutiny of applications :

- (1) The Nodal Officer, shall, within three days of the receipt of the application, send it to the Engineering or Planning cell of the Land Owning Agency for examination, who, considering parameters as detailed in Para below, shall submit their report within three days of the receipt of the application from the Nodal Officer.

- (2) In case the permission is sought for overground telegraph infrastructure (in addition to the scrutiny mentioned in 7(1) above); the Nodal Officer, shall within three (3) official working days of the receipt of the application shall send it to the EAC/Circle Officer concerned having jurisdiction of the area for examination and, who, considering parameters as detailed in Para 8 below, shall submit their report within seven (7) official working days of the receipt of the copy of application to the Nodal Officer.
- (3) The Nodal Officer also, shall scrutinize the applications and verify or cause to be verified the contents and facts envisaged in the application and in other supporting documents within seven (7) official working days of the receipt of report under sub-Para (1) or (2) above, as the case may be.
- (4) If after scrutiny of documents and other details under sub-Para (4) the Nodal Officer is of the opinion that any additional relevant information on the subject matter required to be sought, he may require the licensee within a period of fifteen (15) official working days from the receipt of the application to submit the same and the licensee shall be bound to submit such additional information within ten (10) official working days, failing which the application may be disposed off ex- parte within the stipulated period specified in Para-9.

8. Parameters for examination of application :

- (1) The application for establishment of over-ground telegraph infrastructure shall be examined with respect to the following parameters, namely.-
 - (a) the extent of land required for such infrastructure ;
 - (b) the location proposed ;
 - (c) the mode and time duration for execution of the work ;
 - (d) the estimation of the expenses that the Local Body and Land Owning Agency shall necessarily be put in consequence of the work proposed to be undertaken shall be prepared as per the latest instruction/ guidelines of the Public Works Department, Government of Arunachal Pradesh ;
 - (e) assessment of the inconvenience that the public is likely to be put to in consequence of the establishment or maintenance of the aboveground telegraph infrastructure, and the measures to mitigate such inconvenience indicated by the licensee ;
 - (f) Certification/ information indicated in the documents as required under sub-Para (1) of Para 6 of these guidelines.
 - (g) Consultation with members of Local Body, if deemed fit.
- (2) The application for laying of underground telegraph infrastructure shall be examined with respect to the following parameters, namely.-
 - (a) the route planned for the proposed underground telegraph infrastructure and the possible interference, either in the establishment or maintenance of such telegraph infrastructure, with any other public infrastructure that may have been laid along the proposed route ;
 - (b) the mode of execution ;
 - (c) the time duration for execution of the work and the time of day that the work is proposed to be executed ;
 - (d) the estimation of the expenses that the local body and Land Owning Agency shall necessarily be put in consequence of the work proposed to be undertaken;
 - (e) the responsibility of restoration of any change that the local body/ Land Owning Agency may necessarily may put in consequence of the work proposed to be undertaken;
 - (f) assessment of measures to ensure public safety and inconvenience that the public is likely to be put in consequence of the work proposed and the measures to mitigate such inconvenience indicated by the licensee;
 - (g) Certification/information indicated in the documents as required under sub-Para (2) of Para 6 of these guidelines.

9. Disposal of applications :

- (1) The Nodal Officer shall be responsible for the single window clearance of the application made by the licensee.
- (2) The Nodal Officer, examining and considering all the facts including facts mentioned in the application and reports received under sub-Para (1) or (2), as the case may be, of Para-7 and objections/suggestions, if any, filed under sub-Para (3) of Para 7, shall within a period not exceeding thirty (30) official working days from the date of application received under Para 6
 - (a) Grant permission on conditions as specified in Para 4 or 5, as the case may be, and conditions of time, mode of execution, measures to mitigate public inconvenience or enhance public safety as specified by the Nodal Officer subject to the provisions of the rules and these guidelines. The permission shall be issued in Form-4 or Form-5, as the case may be,

- (b) Reject the application for reasons to be recorded in writing. The permission may be refused only if the application is found to be against any of the provisions of the rules and these guidelines but shall not be refused on any extraneous ground :

Provided that no application shall be rejected unless the applicant licensee has been given an opportunity of being heard or minimum time of seven (7) official working days to furnish the required details as sought on the reasons for such rejection.

Provided further that the permission shall be deemed to be **granted if the Nodal Officer** fails to either grant permission under (a) or reject the application under (b) within thirty (30) official working days; and the same shall be communicated in writing (in the Form-4 or 5) to the applicant-licensee not later than five (5) official working days after permission is deemed to have been granted.

10. Application fee and other charges :

The licensee shall pay the following charges -

- (a) (i) The application under Para 5 (1) for establishment of over-ground telegraph infrastructure shall be accompanied with a fee of ₹ 10,000 (non-refundable) to the Government exchequer at head of Account defined by Finance Department.
- (ii) The application under Para 5(2) for laying underground telegraph infrastructure shall be accompanied with a fee @ ₹ 1000 per kilometer (non-refundable).
- (b) The licensee shall deposit annual user charges to the Land Owning Agency for installation of Roof Top Tower(RTT)/Roof Top Pole(RTP)/Ground Based Tower (GBT)/Ground Based Mast (GBM) in case of land/building/infrastructure owned by the authorities/agencies of Government of Arunachal Pradesh :
 - (i) For Municipal Council Towns ₹ 10,000
 - (ii) For other areas ₹ 5,000
- (c) No other tax shall be levied against the Mobile Tower except as mentioned above.

11. Fee and other charges in respect of installation/laying telegraph infrastructure on Government lands and buildings :

- (1) The licensee shall deposit application fee and other charges as specified under Para 10 in respect of lands and buildings of Central/State Government or statutory or non-statutory bodies/institutions.
- (2) The licensee shall also deposit following annual charges for using area of lands and buildings of Government or statutory or non-statutory bodies/institutions apart from the charges specified in sub-Para (1) follows namely :
 - (a) In case of lands and buildings belonging to Central Government or statutory or non-statutory bodies/institutions of the Central Government, rates of annual charges as may be determined by the Central Government, shall be deposited in the funds of the concerned Department of Central Government or statutory or non-statutory bodies/institutions, as the case may be.
 - (b) In case of lands and buildings belonging to State Government or statutory or non-statutory bodies/institutions/agencies of the State Government including local bodies annual charges shall be deposited as determined by HLMC from time to time.
 - (c) In case of each Wi-Fi antenna or Micro Cell unit with utility box attached to Micro Cell are installed on any land or building including bus shelters, street, light pole, public places, other Government premises annual charges as determined by HLMC shall be deposited by the licensee to the Land Owning Agency.
 - (d) The licensee shall have to deposit charges as determined by HLMC per pole annually to the local body/Land Owning Agency for use of street light poles to carry OFC/Aerial cabling.
 - (e) The annual rent for putting up manhole/chamber on the OFC route shall be charged @ 1% of the notified land rules of the area taking actual number of chambers and their actual size into consideration. Any other charges shall not, however, be levied for putting up chambers.
 - (f) The licensee may, if he so desires, deposit one time charges under clause (b) or clause (c) or clause (d), clause (e), as the case may be, which would be equal to eight times of such full annual charges. Such a payment would exempt the licensee from further liability of payment of aforesaid annual charges under clause (b) or clause (c) or clause (d), clause (e), as the case may be.
 - (g) Restoration charges for laying underground OFC to the Land Owning Agency shall be deposited as mentioned in clause (iii) of para-5.
 - (h) No fee and charges shall be recovered from the Government Departments for establishing Telecommunication system including towers/poles for their use.
 - (i) The HLMC shall fix the charges as indicated above within 15 days of issuance of these guidelines.

12. Guidelines for installations of in-building solutions (IBS) in Government Buildings :

The in-building systems may be set-up in buildings to obtain good coverage and capacity to the mobile network inside the building by ensuring that the signals don't have to penetrate thick walls. The infrastructure required to be installed requires extensive wiring in building which could be internal or external based on the aesthetical requirement of the owner. This solution is beneficial to the mobile users as well as mobile operators as it reduces the load of the mobile towers and gives coverage to the mobile users. In this regard, following guidelines shall be followed.

(1) Identification/selection of Government buildings for in-building solution would be done by the concerned department and request for installing IBS can be communicated to the Telecom Service Provider who in-turn shall conduct a survey to see the possibility of installing IBS in the said premises/building. The survey shall be verified by an engineer from Public Works Department who is member of the District Level Monitoring Committee.

(2) The permission for setting such a facility would be given by the concerned Head of department of the building and issue enabling order to allow such installations. In view of requirement of exterior/interior wiring for in-building solution, the line plan should be got approved by the maintenance agency for electrical services for the said building. The service provider would also look into the security considerations of the Government offices.

13. Tenure of permission and renewal :

(1) The permission accorded shall be valid from the date of its issuance and it shall be limited up to the periods of permission/license granted by the DoT. The licensee shall submit application for renewal of permission to the Nodal Officer at least sixty official working days before the expiry of the permission along with all the documents as required for new permission. The Nodal Officer shall renew the permission after charging fee and other charges as prescribed under Para 10 or Para 11, as the case may be.

(2) The Nodal Officer shall renew the permission up to the period of the permission/license granted to the licensee by the DoT under the Indian Telegraph Act, 1885.

(3) The Nodal Officer shall dispose of renewal application within fifteen (15) official working days. If application for renewal is submitted in time, the operation of the Mobile Tower etc. shall not be discontinued for any delay in disposal of application for clearance by the Nodal Officer.

14. Regularization of existing mobile towers :

(1) Wherever permission has already been granted under erstwhile policy/orders, the same shall hold good and no fresh permission shall be required under these guidelines. The tenure of permission so granted shall be from the date of its issuance and it shall also be limited up to the period of permission/license granted by the DoT

(2) For all the existing mobile towers where application has been already submitted, shall be regularized by Nodal Officers on the basis of application and documents already submitted. Earlier fees paid, if any, by the licensee shall be adjusted as per the new guidelines which shall also taken into consideration the payments already made and under process with various local authorities. In case the permission has not been granted in 30 days from the date of commencement of this policy, the Licensee shall re-approach the local body on which local body is required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.

(3) For all the existing mobile towers etc. wherein formal permission has not been issued by the Nodal Officer and application not submitted, shall be regularized upon submission of application in Form-6 along with information and documents as specified therein and after the payment of prescribed fee/charges under these guidelines. Such application shall be submitted within six months of issue of these guidelines, after which they said mobile towers etc. shall be deemed as unauthorized. Once the application is submitted within due time, the operation of the Mobile Tower shall not be discontinued till disposal of the application by the Nodal Officer or till the disposal of appeal (if any) filed in time with Appellate Authority, whichever is later. In case the permission has not been granted in 30 days, the Licensee shall re-approach the local body after the 30th day from the submission of the complete application on which local body required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.

(4) Telecom Installations are critical communication infrastructure for seamless mobile and internet services to the citizens. In order to avoid disruption in mobile/internet communication, an essential service, sealing of existing and operational base transceiver station towers or any interruption to internet service by disconnection of electricity of such tower or any equipments/accessories installed for internet transmission may not be resorted to without the consent of the respective TERM Cell in respect of the EMF radiation related issues.

15. Construction/ repair works by various utility service providers of State/Central authorities :

The agencies of various utility service providers extending services such as electricity (DISCOMs), water supply pipes, gas pipes, sewerage, RoW works (PWD/NHAI) etc. while undertaking new construction/repair works in specific alignment to optical fibre cable (OFC) shall intimate to concerned Nodal Officer and Land Owning Agency and also to concerned TSP/IP providers well in advance not less than 15 official working days before the start of work so as to give sufficient time to TSP/IP to make plans for shifting of OFC/alternate rout in order to avoid disruption in mobile/internet services. As the TSP/IP are

providing/supporting Telecom services the power disconnection to telecom installations on account of any planned repair/maintenance activity shall not be done without prior notice to the concerned TSP/IP at least 15 days in advance.

16. Seizure and removal of unauthorized telegraph infrastructure :

- (1) If any person, after the issuance of these guidelines, installs or continues to install any tower or any other telegraph infrastructure without obtaining the prior permission and depositing the prescribed fee and charges then in such cases power/electricity connections shall not be provided. The Nodal Officer, through Local Body and Land Owning Agency, may seize and remove such tower and the expenses incurred by the Local Body and Land Owning Agency for such removal or seizure shall be recovered from the licensee/person concerned :

Provided that before seizure or removal of tower etc. the Nodal Officer shall afford an opportunity of hearing to the concerned person/licensee by giving at least thirty days' notice to him.

- (2) In case any Telecommunication system has been seized or removed under this Para, intimation shall be sent immediately to Dept of IT & C and to the TERM Cell of DoT in the State. TERM cell, Arunachal Pradesh office shall update details of their designated officials with the Department of IT & Communication from time to time.

17. Right of authorities to seek removal :

- (1) Where the State Government or local body or Land Owning Agency or the Nodal Officer, having regard to circumstances which have arisen since the installation of any telecom tower or the establishment of any underground or over-ground OFC/telegraph infrastructure under, over, along across, in or upon any immoveable property vested in or under the control or management of the State Government or the local body or the appropriate authority, that is necessary and expedient to remove or alter such telecom tower or OFC/telegraph infrastructure, the Nodal Officer shall issue a notice to the applicant (licensee), being the owner of such telecom tower or OFC/telegraph infrastructure, to remove or alter its location.
- (2) On receipt of the notice under Sub-Para (1), the applicant (licensee) shall, forthwith and within a period of thirty days, proceed to submit, to the Nodal Officer, a detailed plan for removal or alteration of such telecom tower or OFC/telegraph infrastructure.
- (3) The Nodal Officer shall, after examination of the detailed plan submitted by the applicant (licensee) under sub-Para (2), pass such orders as it deems fit:

Provided that the Nodal Officer shall, having regard to emergent and expedient circumstances requiring the removal or alteration of such telecom tower or OFC/telegraph infrastructure, provide reasonable time to the applicant (licensee) for removal or alteration of such telecom tower or OFC/telegraph infrastructure :

Provided further that the responsibility and liability, including the cost thereof, for removal or alteration of such telecom tower or OFC/telegraph infrastructure shall be borne by the applicant (licensee).

18. State Level, Department Level and District Level Telecom Monitoring Committees :

- (1) There shall be a High Level Telecom Monitoring Committee (HLMC) in the State which shall act as an Apex Committee for overall guidance and monitoring of the implementation of these guidelines under the Chairmanship of the Commissioner and Secretary, Department of IT & Communication with the following members. Terms of Reference is to review and monitor progress of Telecom Projects in the State in every 4 months. However, the Chairman of SLMC is authorized to co-opt any expert as necessitated :

Sl. No.	Designation	Membership
1.	Chief Secretary	— Chairman
2.	Development Commissioner(Finance)	— Vice-Chairman
3.	PCCF, Environment & Forest	— Member
4.	Divisional Commissioner East	— Member
5.	Divisional Commissioner West	— Member
6.	Commissioner (Power)	— Member
7.	Commissioner/Secretary, PWD	— Member
8.	Secretary, GAD	— Member
9.	RO, MORTH	— Member
10.	Secretary, UD	— Member
11.	Secretary, PR&RD	— Member
12.	Deputy Director General (TERM) Arunachal Pradesh	— Member
13.	State Head of BSNL	— Member
14.	State Heads of Telecom Service Providers	— Member
15.	Secretary, IT & Communication	— Convenor
16.	Special Secretary, IT & Communication	— Member

- (2) Department Level Telecom Monitoring Committee: There shall be Department Level Monitoring Committee in the State to implement these guidelines under the overall supervision of the HLMC. The Department Level Monitoring Committee shall comprise of the members as mentioned below. Terms of Reference is to review and monitor progress of Telecom Projects in the State in every 3 months. However, the Chairman of Department Level Monitoring Committee is authorized to co-opt any expert as necessitated :

Sl. No.	Designation	Membership
(i)	Secretary IT & Communication	— Chairman
(ii)	State Head of each Telecom Service Provider	— Member
(iii)	Addl. PCCF, Environment & Forest	— Member
(iv)	Jt. Secretary, Home Department	— Member
(v)	Chief Engineer Chief Engineer, Power(All Zones) ,PWD	— Member

OFFICE MEMORANDUM

The 6th June, 2018

Sub :— Guidelines for granting Right of Way (RoW) to Telegraph Infrastructure (OFC, Telecom/ Mobile Towers, Microwave Antennae, Poles etc) in Arunachal Pradesh 2018.

No. SCITeG/128-2015.—In pursuance of the provision of the Indian Telegraph Right of Way Rules, 2016, the Governor of Arunachal Pradesh is hereby pleased to make the following Guidelines to bring uniformity, clarity and simplification in the process of giving permission to install telegraph infrastructure in urban and rural areas of Arunachal Pradesh, namely :

1. Short title and commencement :

- (1) These Guidelines may be called Guidelines for granting Right of Way (RoW) to Telegraph Infrastructure in Arunachal Pradesh 2018.
- (2) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions :

- (1) In these guidelines, unless the contexts otherwise requires,-
 - (a) "Act" means Indian Telegraph Act, 1885 (13 of 1885)
 - (b) "DoT" means Department of Telecommunication, Government of India.
 - (c) "DLMC" means the District Level Monitoring Committee as formed under Para 18;
 - (d) "Form" means the form appended in these guidelines;
 - (e) "Infrastructure Provider (IP)" means any person holding an Infrastructure Provider-I registration issued by the DoT.
 - (f) "Licensee" under these guidelines means any person holding a license issued under sub-section (1) of section 4 of the Act or an Infrastructure Provider-I registration issued by the (DoT).
 - (g) "Para" means the Para of these guidelines.
 - (h) "Local Body" means Urban Local Bodies like Municipal Corporation, Municipal Council or Municipal Board in an Urban area declared under the relevant law/administrative order of the State Government, Gram Panchayat (GP) and Village Council Development Committee (VCDC) for Rural areas under the relevant law/administrative order of the State Government.
 - (i) "OFC" means optical fibre cable;
 - (j) "Rules" means the Indian Telegraph Right of Way Rules, 2016
 - (k) "HLMC" means the High Level Monitoring Committee as formed under this order/guidelines.
 - (l) "TERM Cell" means Telecom Enforcement, Resource and Monitoring Cell of the Department of Telecommunication (DoT), Government of India ;

- (m) "Telecom Service Provider" (TSP) means and includes a person, firm, association of persons or company who is duly licensed by the DoT under section 4 of the Indian Telegraph Act, 1885 for providing inter alia mobile phone services, internet and data transfer services etc.
- (n) Telegraph Infrastructure includes,-
 - (i) Telecommunication Cell Site or Base Station (TCS/BS) or Telecom Tower or Mobile Tower, a place for tower, delta, single pole antenna, microwave antenna, telecom transceiver machinery, related civil works, requisite cable, power supply equipment, Diesel Generator set, cabin or cupboard for housing any or all of the aforesaid items is necessary.
 - (ii) Ground based tower (GBT), ground based mast/monopole (GBM), roof top tower (RTT), roof top pole (RTP).
 - (iii) Cell Phone Tower (CPT), Micro cell tower (MCT), antenna fixtures, fabricated antenna, tower to install telephone lines and Wi-Fi antenna,
 - (iv) Pre-fabricated or masonry structure shelters or installation of Base Transceiver Station (BTS) and other equipment.
 - (v) Cell-on-Wheels for duration >60 days
 - (vi) Cabling on the poles or electric poles.
 - (vii) Telegraph line laid under the ground and includes manholes, marker stones, appliances and apparatus for the purposes of establishment or maintenance of the telegraph line:

Provided further that any temporary infrastructure for managing events/festivals/fairs of short duration (maximum 60 days) or to give coverage to blank areas, shall not be included in Telegraph Infrastructure for the purpose of these guidelines and no formal permission is required for installation of such temporary infrastructure.
- (o) "SACFA" means Standing Advisory Committee on Frequency Allocation (SACFA) of the DoT.
- (p) "Appellate Authority" means Secretary to the Government of Arunachal Pradesh, Department of IT & Communication as specified by Gazette Notification issued by DoT, 19th June, 2017.
- (q) "Land Owning Agency" is the concerned Dept/Private entity that owns the land or building or pole or tower etc for which any kind of permission requires to be granted.
- (2) The words and expressions used and not defined herein but defined in the Act or the Rules shall have the meanings assigned to them in the Act or Rules, as the case may be.

3. Nodal Officer for the appropriate authority :

Under sub rule (1) of rule 4, the Deputy Commissioner of the District shall be the Nodal officer for the purpose of these guidelines. He/She shall be responsible for granting the permit in his/ her respective district.

4 Terms and conditions for granting permission to establish over-ground telegraph infrastructure :

(a) Mobile Towers :

- (i) The Radiation norms fixed by DoT have to be strictly followed by the licensee. Any citizen can approach the TERM Cell with regard to grievance on any issue relating to radiation.
- (ii) Sign boards and Warning Signs ("Danger", "Warning", "Caution" etc.) as per guidelines of DoT shall be provided at towers and antenna sites which are clearly visible and identifiable.
- (iii) The licensee shall be permitted to erect/install telegraph infrastructure on open land including private/Government land, land and buildings of Government or Government owned/controlled statutory or non-Statutory institutions/bodies or at other public/private locations including roads, parks, playgrounds, schools, colleges, hospitals, land earmarked for public utilities.
- (iv) In the walled city area or in the area of Heritage importance the Pole/Mast shall be designed keeping in view the Heritage character of the area as defined by competent authority.
- (v) Installation of non-telecom over-ground infrastructure shall not be permitted on the right of way granted region for underground telecom infrastructure.
- (vi) The licensee shall be granted permission to install micro cells/Wi-Fi access points and other required services on street light poles/bus shelters/government buildings.
- (vii) The licensee shall install and fix the equipment such as power back-up as per the standard norms of State Pollution Control Board in the earmarked boundary adjacent to mobile tower/post.
- (viii) The structural stability of the towers/posts and building in which it is erected, shall be ensured by the licensee and the towers/posts and their foundations shall be designed accordingly. He shall be solely responsible for any mishap, if it takes during or after erection of towers.
- (ix) The permission shall not be withheld due to outstanding urban development tax or any other dues payable upon the land and building applied for installation of telegraph infrastructure. But the Nodal Officer shall communicate such tax or dues to the licensee and the Owner of the land and building and if an undertaking is submitted by the Owner for depositing the outstanding urban development tax or any other dues, as the case may be, then Nodal Officer shall grant the provisional permission for a period of 60 days within which the owner shall have clear all pending govt dues.

- (x) Mobile towers/posts being a temporary structure and essential service in nature can be installed on any type of land/building regardless of its specified land use and shall not require change of land use under any law.
- (xi) However, certain reasonable restrictions on distance from residential areas, location of tower etc can be imposed by Nodal Officer in view of concerns related public safety, Health & Hazard.

(b) Overground OFC infrastructure :

- (i) The licensee shall be permitted to lay Overhead OFC along Electrical Poles along open land including private/Government land or Government owned/controlled statutory or non-Statutory institutions/bodies or at other public/private locations including roads, parks, playgrounds, schools, colleges, hospitals, land earmarked for public utilities.
- (ii) The licensee shall liaise with Department of Power, Govt of Arunachal Pradesh for Overhead OFC plans along Electrical Poles.
- (iii) The licensee shall be solely responsible for any mishap, if it takes during or after laying of Overhead OFC along Electrical Poles.
- (iv) Comprehensive Permission shall be provided to the Implementing Agencies laying OFC to lay Cables on all the electrical poles in the state-owned electricity lines including permission to install additional poles to prevent sagging of the OFC, provided any requirement for strengthening of the existing poles shall be borne by the DoT through the implementing agencies. However, in doing so, it shall be the responsibility of the DoT (Implementing Agencies), the supply of power is not affected and the power infrastructure is not damaged.

5. Terms and conditions for granting permission to lay underground telegraph infrastructure (OFC) :

- (i) The licensee shall obtain necessary permission for laying optical fiber cable (OFC) network/underground telegraph infrastructure and taking fiber to home under roads and overhead from the Nodal Officer of concerned appropriate authority ;
- (ii) The work shall be started from the outer areas of the city and then to the core area ;
- (iii) Damages of roads and filling up of pits caused during the laying of underground telegraph infrastructure and taking fiber to home shall be repaired by the concerned local body and the entire expenses, for restoration of damaged road portion shall be charged by the local body from the licensee. Charges for such expenses shall be fixed by the State Government from time to time, on the basis of applicable schedule of rates for works for similar nature. The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD), Government of Arunachal Pradesh shall be followed for calculating the restoration charges. Such charges shall be deposited in the advance in the form of valid applicable financial instrument/digital payment mode within period of 30 days from the date of grant of the permission and prior to the commencement of work of laying the underground telegraph infrastructure. An amount equal to restoration charges as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road portion. The period can be extended based on the requirement :

Provided that no other charges, (except above mentioned restoration charges and relevant administrative charges prescribed under Para -9 and 10), like User Charges etc. shall be levied on the licensee.

- (iv) Laying OFC through Micro:- Trenching Method shall be allowed during monsoons, provided that the applicant takes all security measures and makes arrangements for immediate restoration of the damage caused.
- (v) Supervision of the work :
 - (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee;
 - (b) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance/depth of the laid OFC
 - (c) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :

Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.

- (d) Bank Guarantee shall not be released to the Licensee till the road asset is not restored to original state
- (e) Only pits of approximate size 1.5mtr.x1.5mtr.x1.5mtr. depth or as per requirement at site shall be excavated in the roads where optical fiber cables are to be laid, at a distance of not less than 100 meter. The pits shall be refilled only with granular material and shall be compacted as per the specifications. The pits/trenches shall be reinstated within 48 hours, repeat shall be reinstated within 48 hours, after the work at that location is over, failing which, penalty as applicable as per the guidelines for trenching activities shall be applicable besides the cancellation of permission etc.

- (vi) Number of ducts under the roads for which permission shall be granted as per requirement of the licensee.
- (vii) The licensee shall ensure provision of positional intelligence, through appropriate technology, of all underground telegraph infrastructures to enable the Land Owning Agency and Nodal Officer to obtain real time information on its location.
- (viii) The licensee shall carry out Ground Penetrating Radar (GPR) survey wherever necessary along the route where the ducts shall be laid for detection of existing utilities. The data of utilities collected by the licensee through GPR survey should be unconditionally shared with land owning body and the Nodal Officer, free of cost.
- (ix) No damage shall be caused to any underground utilities while laying the ducts by using Horizontal Directional Drilling (HDD) methodology. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (x) Ducts shall be laid as per DoT mentioned specifications.
- (xi) The cost of shifting conduits/OFC, wherever required, shall be borne by the licensee and instructions of Local Body in this respect shall be complied within the time frame fixed by the concerned Local Body.
- (xii) Land Owning Agency shall not be responsible for any damage to OFC and resultant losses, if any, due to any act of employee of Governments or Land Owning Agency, while performing official duties. However, prior written intimation shall be given by the Land Owning Agency to the licensee. In case local body executes the work and causes enough damage which may disrupt the service, then local body shall be liable to pay the penalty to the licensee due to physical damage only as determined by the State Public Works Department.
- (xiii) The licensee shall make proper arrangement for access control of the chambers to avoid misuse/illegal use of ducts and the chambers.
- (xiv) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter X 1 meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (xv) The licensee shall ensure that,-
 - (a) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
 - (b) Structural safety of overground infrastructure are implemented; and
 - (c) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

6. Terms and conditions for granting permission to lay Overhead telegraph infrastructure (OFC) :

- (i) The licensee shall obtain necessary permission for laying optical fiber cable (OFC) network/Overhead telegraph infrastructure and taking fiber to home along Electrical Poles from the Nodal Officer of concerned appropriate authority;
- (ii) The work shall be started from the outer areas of the city and then to the core area;
- (iii) Damages of roads or poles caused during the laying of Overhead telegraph infrastructure and taking fiber to home shall be repaired by the concerned local body/Land Owning Agency and the entire expenses, for restoration of damaged road or Power Infrastructure shall be charged by the local body/Land Owning Agency from the licensee. Charges for such expenses shall be fixed by the State Government from time to time, on the basis of applicable schedule of rates for works for similar nature. The Basic Schedule of Rate (BSR) and guidelines issued by the Public Works Department (PWD)/Power Department, Government of Arunachal Pradesh shall be followed for calculating the restoration charges. **An amount equivalent to 30% of the estimated total charges of the restoration cost of damages shall be deposited in advance in the form valid applicable financial instrument/digital payment mode before grant of any permission and 70% of the restoration charges shall be deposited within 30 days from the date of grant of permission prior to commencement of works of laying the overhead telegraph infrastructure.** An amount equal to restoration charges as security shall be taken (in lieu of expenses for restoration) prior to the commencement of such work in the form of a Bank Guarantee valid for one year if the licensee has undertaken to discharge the responsibility of restoration of damaged road or Power Infrastructure. The period can be extended based on the requirement :

Provided that no other charges, (except above mentioned restoration charges and relevant administrative charges prescribed under Para -9 and 10), like User Charges etc. shall be levied on the licensee.

- (iv) Laying Overhead OFC along Electrical Poles:- Power Distribution network of the State from Power Department, Govt of Arunachal Pradesh should be the point of reference for all planning of Overhead OFC laying work in the State.

(v) Supervision of the work :-

- (a) The Nodal Officer, or any officer authorized by the appropriate authority, may supervise the execution of work to ascertain if the conditions imposed under the rules and these guidelines are observed by the licensee ;
- (f) The Nodal Officer may, on the basis of such supervision, impose such other reasonable conditions as it may think fit; including maintaining proper distance of the laid OFC.
- (g) If the Nodal Officer comes to the conclusion that the licensee has wilfully violated any of the conditions, he/she may forfeit, in full or in part, the bank guarantee submitted by the licensee and withdraw the permission, for reasons to be recorded in writing :

Provided that no action shall be taken under this clause unless the licensee has been given a reasonable opportunity of being heard.

- (h) Electrical Poles, if unusable/damaged for Overhead cable laying, can be replaced by the licensee with prior permission from Power Department and intimation to Dept of IT & C.
- (i) In case of damages caused while carrying out Overhead OFC work, the infrastructure shall be reinstated within 48 hours, failing which, penalty as applicable as determined by the SLMC Overhead OFC laying activities shall be applicable besides cancellation of permission etc.
- (vi) No damage shall be caused to any overground utilities. In case any utility is damaged, the damage so caused to the utilities, shall be rectified by the licensee at his own cost.
- (vii) For laying overhead OFC from fiber to home network it shall be permitted to erect poles on specified locations on roads over the ground area not more than 1 meter X 1 meter. The spacing between two poles should not be less than 50 meters in line of the sight.
- (viii) The licensee shall ensure that,-
 - (d) Prior to the commencement of work of laying the optical fiber and at all times during the execution of the work, the measures to mitigate public inconvenience and provisions for public safety are implemented;
 - (e) Structural safety of over-ground infrastructure is implemented; and
 - (f) The work of laying OFC/telegraph infrastructure is carried out in accordance with the conditions specified under the rules and these guidelines.

7. Application for permission :

- (1) Application (in duplicate) for **permission for establishment of over ground telegraph infrastructure** or for its renewal shall be submitted to the Nodal Officer in the Form-1 along-with following documents.-
 - (i) A copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee to a particular Nodal Officer defined under rule 2 of these guidelines.
 - (ii) Location map from any publicly available source (scale 1 :1000) showing the site with its latitude-longitude. Licensee shall share all new and existing GIS map of OFC routes and towers with the Department of IT & Communication and DTC.
 - (iii) The detailed technical design and drawings of the tower/post or other aboveground infrastructure including the specification of foundation. In case the tower/ post etc. is within 100 meter aerial distance of high or low tension line, then its distance from the same shall be clearly indicated in the drawings.
 - (iv) Copy of Structural Stability Certificate for the building and tower/post obtained from any authorized Structural Engineer, or/from recognized institute or a Structural Engineer registered or employed in Central or State Government Service or a Quasi- Government Organization or any other agencies authorized from time to time by the State Government.
 - (v) Copy of No Objection Certificate issued by the Fire Safety Department in case of high rise buildings where fire clearance is mandatory.
 - (vi) Copy of SACFA clearance/copy of SACFA application for the said location submitted to Wireless Planning and Coordination (WPC) wing of DoT with registration number as WPC acknowledgement along with undertaking that in case of any objection/rejection, licensee shall take corrective actions/remove the tower.

(Note : - the copy can be submitted to the Nodal Officer as soon as the location is finalized and the tower is installed).

- (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest Department, if applicable.
- (viii) Acknowledgement receipt issued by TERM Cell on the basis of self-certificate submitted by licensee in respect of mobile tower/Base Transceiver. Station (BTS) establishing/certifying that all general public areas around the tower shall be within safe Electro Magnetic Radiation (EMR) exposure limit as per peak traffic measurement after the antennas starts radiating.

(Note: - It can be submitted within 30 days after radiating the tower).

- (ix) Copy of the type test certificate issued by Automotive Research Association of India (ARAI) to the manufactures of the DG sets.
 - (x) Ownership title document of the building/site needs to be submitted. (Self attested copies). However, production of Patta/approved map should not be insisted upon but in specific cases such documents if required then same needs to be submitted.
 - (xi) Attested copy of Lease Agreement Deed/Consent Letter, signed by the applicant and the owner of the site/building.
 - (xii) The Nodal Officer/ Land Owning Agency may also seek the copy of No Objection Certificate (NOC)/ Consent Letter from building owners/entities/societies having roof top rights in case of roof based tower or from land owner in case of ground based tower.
 - (xiii) In case the permission is sought in the land/premises of any office of Central Government or a PSU of Central Government, the prior written consent or copy of agreement from the authority having legitimate right over the land/premises shall be attached with the application.
- (2) **Application for permission to lay underground telegraph infrastructure or taking fiber to home in the right of way** shall be submitted to the Nodal Officer in Form-2 alongwith following documents,-
- (i) A copy of relevant license/IP-I registration certificate issued by the Department of Telecommunications. It needs to be submitted only once per licensee/IP.
 - (ii) the location map showing the proposed underground telegraph infrastructure including route planned, exact latitude and longitude, nature of land
 - (iii) the copy of consent of the owner of land/building where the OFC/telegraph infrastructure proposed to be laid;
 - (iv) certificate by a structural engineer (as mentioned in Para 5(1) (iv)) attesting to the structural safety of building where the post or other above ground contrivances is proposed to be established on a building ;
 - (v) the detailed technical design and drawings of the post or other above-ground contrivances (in case of over ground cabling) ;
 - (vi) the copy of approval issued by the DoT for locations of the above ground contrivances proposed to be used for the transmission of Radio waves or Hertzian waves (in case of over-ground cabling) ;
 - (vii) For Forest/Protected Areas, the copy of clearance from State Environment and Forest Department, if applicable.
- (Note:-** NOC of Forest Deptt. would not be required in areas not covered under Forest/ Protected Areas.)
- (3) The licensee shall submit a copy of receipt in proof of the payment of application fee and other charges as prescribed under these guidelines.
 - (4) The licensee shall furnish such other relevant information as may be required by the Nodal Officer or as the State Government may direct.
 - (5) The licensee may also submit the soft copy of the application along with all the forms, statements and documents.
 - (6) Application, if the licensee desires, may be submitted On-line in cases of such appropriate authorities, wherever they have proper arrangements for this purpose till the time Department of IT & Communication come up with a common on-line platform for the State for receipt/processing of application. Department of IT & Communication shall develop the same within -3 months from the date of notification of these guidelines.
 - (7) In cases where applications for permission for establishment of telegraph infrastructure has been submitted under erstwhile Order(s) of the State Government for new as well as existing telegraph infrastructure but permission has not been issued, then in such cases, there would be no need to submit fresh application. However, any documents required under these guidelines, but not submitted earlier, shall be submitted alongwith the fee/charges under these guidelines. The Nodal Officer shall issue the permission in accordance with these guidelines. The fees/charges paid earlier shall be adjusted and such pending application should be disposed of within 30 days from the deposit of remaining fee/charges and submission of remaining documents. In case the fees paid is excess the same shall be refunded to the applicant. In case the permission has not been granted in 30 days, the Licensee shall re-approach the Nodal Officer after the 30th day from the submission of the complete application on which Nodal Officer will be required to revert in next 15 day, else the application shall be considered deemed to be approved post 15th day.
 - (8) All applications received by the Nodal Officer shall be entered in a Register in Form-3 and shall be maintained for record.

7. Examination and scrutiny of applications :

- (1) The Nodal Officer, shall, within three days of the receipt of the application, send it to the Engineering or Planning cell of the Land Owning Agency for examination, who, considering parameters as detailed in Para below, shall submit their report within three days of the receipt of the application from the Nodal Officer.

- (2) In case the permission is sought for overground telegraph infrastructure (in addition to the scrutiny mentioned in 7(1) above); the Nodal Officer, shall within three (3) official working days of the receipt of the application shall send it to the EAC/Circle Officer concerned having jurisdiction of the area for examination and, who, considering parameters as detailed in Para 8 below, shall submit their report within seven (7) official working days of the receipt of the copy of application to the Nodal Officer.
- (3) The Nodal Officer also, shall scrutinize the applications and verify or cause to be verified the contents and facts envisaged in the application and in other supporting documents within seven (7) official working days of the receipt of report under sub-Para (1) or (2) above, as the case may be.
- (4) If after scrutiny of documents and other details under sub-Para (4) the Nodal Officer is of the opinion that any additional relevant information on the subject matter required to be sought, he may require the licensee within a period of fifteen (15) official working days from the receipt of the application to submit the same and the licensee shall be bound to submit such additional information within ten (10) official working days, failing which the application may be disposed off ex-parte within the stipulated period specified in Para-9.

8. Parameters for examination of application :

- (1) The application for establishment of over-ground telegraph infrastructure shall be examined with respect to the following parameters, namely.-
 - (a) the extent of land required for such infrastructure;
 - (b) the location proposed;
 - (c) the mode and time duration for execution of the work;
 - (d) the estimation of the expenses that the Local Body and Land Owning Agency shall necessarily be put in consequence of the work proposed to be undertaken shall be prepared as per the latest instruction/ guidelines of the Public Works Department, Government of Arunachal Pradesh;
 - (e) assessment of the inconvenience that the public is likely to be put to in consequence of the establishment or maintenance of the above ground telegraph infrastructure, and the measures to mitigate such inconvenience indicated by the licensee;
 - (f) Certification/ information indicated in the documents as required under sub-Para (1) of Para 6 of these guidelines.
 - (g) Consultation with members of Local Body, if deemed fit.
- (2) The application for laying of underground telegraph infrastructure shall be examined with respect to the following parameters, namely.-
 - (a) the route planned for the proposed underground telegraph infrastructure and the possible interference, either in the establishment or maintenance of such telegraph infrastructure, with any other public infrastructure that may have been laid along the proposed route ;
 - (b) the mode of execution;
 - (c) the time duration for execution of the work and the time of day that the work is proposed to be executed ;
 - (d) the estimation of the expenses that the local body and Land Owning Agency shall necessarily be put in consequence of the work proposed to be undertaken;
 - (e) the responsibility of restoration of any change that the local body/ Land Owning Agency may necessarily may put in consequence of the work proposed to be undertaken;
 - (f) assessment of measures to ensure public safety and inconvenience that the public is likely to be put in consequence of the work proposed and the measures to mitigate such inconvenience indicated by the licensee;
 - (g) Certification/information indicated in the documents as required under sub-Para (2) of Para 6 of these guidelines.

9. Disposal of applications :

- (1) The Nodal Officer shall be responsible for the single window clearance of the application made by the licensee.
- (2) The Nodal Officer, examining and considering all the facts including facts mentioned in the application and reports received under sub-Para (1) or (2), as the case may be, of Para-7 and objections/ suggestions, if any, filed under sub-Para (3) of Para 7, shall within a period not exceeding thirty (30) official working days from the date of application received under Para 6.
 - (a) Grant permission on conditions as specified in Para 4 or 5, as the case may be, and conditions of time, mode of execution, measures to mitigate public inconvenience or enhance public safety as specified by the Nodal Officer subject to the provisions of the rules and these guidelines. The permission shall be issued in Form-4 or Form-5, as the case may be,

- (b) Reject the application for reasons to be recorded in writing. The permission may be refused only if the application is found to be against any of the provisions of the rules and these guidelines but shall not be refused on any extraneous ground :

Provided that no application shall be rejected unless the applicant licensee has been given an opportunity of being heard or minimum time of seven (7) official working days to furnish the required details as sought on the reasons for such rejection.

Provided further that the permission shall be deemed to be **granted if the Nodal Officer** fails to either grant permission under (a) or reject the application under (b) within thirty (30) official working days; and the same shall be communicated in writing (in the Form-4 or 5) to the applicant-licensee not later than five (5) official working days after permission is deemed to have been granted.

10. Application fee and other charges :

The licensee shall pay the following charges -

- (a) (i) The application under Para 5 (1) for establishment of over-ground telegraph infrastructure shall be accompanied with a fee of ₹ 10,000 (non-refundable) to the Government exchequer at head of Account defined by Finance Department.
- (ii) The application under Para 5 (2) for laying underground telegraph infrastructure shall be accompanied with a fee @ ₹ 1000 per kilometer (non-refundable).
- (b) The licensee shall deposit annual user charges to the Land Owning Agency for installation of Roof Top Tower(RTT)/Roof Top Pole (RTP)/Ground Based Tower (GBT)/Ground Based Mast (GBM) in case of land/building/infrastructure owned by the authorities/agencies of Government of Arunachal Pradesh:
 - (i) For Municipal Council Towns ₹ 10,000.
 - (ii) For other areas ₹ 5,000.
- (c) No other tax shall be levied against the Mobile Tower except as mentioned above.

11. Fee and other charges in respect of installation/laying telegraph infrastructure on Government lands and buildings :

- (1) The licensee shall deposit application fee and other charges as specified under Para 10 in respect of lands and buildings of Central/State Government or statutory or non-statutory bodies/institutions.
- (2) The licensee shall also deposit following annual charges for using area of lands and buildings of Government or statutory or non-statutory bodies/institutions apart from the charges specified in sub-Para (1) follows namely:
 - (a) In case of lands and buildings belonging to Central Government or statutory or non-statutory bodies/institutions of the Central Government, rates of annual charges as may be determined by the Central Government, shall be deposited in the funds of the concerned Department of Central Government or statutory or non-statutory bodies/institutions, as the case may be.
 - (b) In case of lands and buildings belonging to State Government or statutory or non-statutory bodies/institutions/agencies of the State Government including local bodies annual charges shall be deposited as determined by HLMC from time to time.
 - (c) In case of each Wi-Fi antenna or Micro Cell unit with utility box attached to Micro Cell are installed on any land or building including bus shelters, street, light pole, public places, other Government premises annual charges as determined by HLMC shall be deposited by the licensee to the Land Owning Agency.
 - (d) The licensee shall have to deposit charges as determined by HLMC per pole annually to the local body/Land Owning Agency for use of street light poles to carry OFC/Aerial cabling.
 - (e) The annual rent for putting up manhole/chamber on the OFC route shall be charged @ 1% of the notified land rates of the area taking actual number of chambers and their actual size into consideration. Any other charges shall not, however, be levied for putting up chambers.
 - (f) The licensee may, if he so desires, deposit one time charges under clause (b) or clause (c) or clause (d), clause (e), as the case may be, which would be equal to eight times of such full annual charges. Such a payment would exempt the licensee from further liability of payment of aforesaid annual charges under clause (b) or clause (c) or clause (d), clause (e), as the case may be.
 - (g) Restoration charges for laying underground OFC to the Land Owning Agency shall be deposited as mentioned in clause (iii) of para-5.
 - (h) No fee and charges shall be recovered from the Government Departments for establishing Telecommunication system including towers/poles for their use.
 - (i) The HLMC shall fix the charges as indicated above within 15 days of issuance of these guidelines.

12. Guidelines for installations of in-building solutions (IBS) in Government Buildings :

The in-building systems may be set-up in buildings to obtain good coverage and capacity to the mobile network inside the building by ensuring that the signals don't have to penetrate thick walls. The infrastructure required to be installed requires extensive wiring in building which could be internal or external based on the aesthetical requirement of the owner. This solution is beneficial to the mobile users as well as mobile operators as it reduces the load of the mobile towers and gives coverage to the mobile users. In this regard, following guidelines shall be followed.

- (1) Identification/selection of Government buildings for in-building solution would be done by the concerned department and request for installing IBS can be communicated to the Telecom Service Provider who in-turn shall conduct a survey to see the possibility of installing IBS in the said premises/building. The survey shall be verified by an engineer from Public Works Department who is member of the District Level Monitoring Committee.
- (2) The permission for setting such a facility would be given by the concerned Head of department of the building and issue enabling order to allow such installations. In view of requirement of exterior/interior wiring for in-building solution, the line plan should be got approved by the maintenance agency for electrical services for the said building. The service provider would also look into the security considerations of the Government offices.

13. Tenure of permission and renewal :

- (1) The permission accorded shall be valid from the date of its issuance and it shall be limited up to the periods of permission/license granted by the DoT. The licensee shall submit application for renewal of permission to the Nodal Officer at least sixty official working days before the expiry of the permission along with all the documents as required for new permission. The Nodal Officer shall renew the permission after charging fee and other charges as prescribed under Para 10 or Para 11, as the case may be.
- (2) The Nodal Officer shall renew the permission up to the period of the permission/license granted to the licensee by the DoT under the Indian Telegraph Act, 1885.
- (3) The Nodal Officer shall dispose of renewal application within fifteen (15) official working days. If application for renewal is submitted in time, the operation of the Mobile Tower etc. shall not be discontinued for any delay in disposal of application for clearance by the Nodal Officer.

14. Regularization of existing mobile towers :

- (1) Wherever permission has already been granted under erstwhile policy/orders, the same shall hold good and no fresh permission shall be required under these guidelines. The tenure of permission so granted shall be from the date of its issuance and it shall also be limited up to the period of permission/license granted by the DoT.
- (2) For all the existing mobile towers where application has been already submitted, shall be regularized by Nodal Officers on the basis of application and documents already submitted. Earlier fees paid, if any, by the licensee shall be adjusted as per the new guidelines which shall also taken into consideration the payments already made and under process with various local authorities. In case the permission has not been granted in 30 days from the date of commencement of this policy, the Licensee shall re-approach the local body on which local body is required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.
- (3) For all the existing mobile towers etc. wherein formal permission has not been issued by the Nodal Officer and application not submitted, shall be regularized upon submission of application in Form-6 along with information and documents as specified therein and after the payment of prescribed fee/charges under these guidelines. Such application shall be submitted within six months of issue of these guidelines, after which they said mobile towers etc. shall be deemed as unauthorized. Once the application is submitted within due time, the operation of the Mobile Tower shall not be discontinued till disposal of the application by the Nodal Officer or till the disposal of appeal (if any) filed in time with Appellate Authority, whichever is later. In case the permission has not been granted in 30 days, the Licensee shall re-approach the local body after the 30th day from the submission of the complete application on which local body required to revert in next 15 days, else the application shall be considered deemed to be approved post 15th day.
- (4) Telecom Installations are critical communication infrastructure for seamless mobile and internet services to the citizens. In order to avoid disruption in mobile/internet communication, an essential service, sealing of existing and operational base transceiver station towers or any interruption to internet service by disconnection of electricity of such tower or any equipments/accessories installed for internet transmission may not be resorted to without the consent of the respective TERM Cell in respect of the EMF radiation related issues.

15. Construction/ repair works by various utility service providers of State/ Central authorities :

The agencies of various utility service providers extending services such as electricity (DISCOMs), water supply pipes, gas pipes, sewerage, RoW works (PWD/NHAI) etc. while undertaking new construction/repair works in specific alignment to optical fibre cable (OFC) shall intimate to concerned Nodal Officer and Land Owning Agency and also to concerned TSP/IP providers well in advance not less than 15 official working days before the start of work so as to give sufficient time to TSP/IP to make plans for shifting of OFC/alternate route in order to avoid disruption in mobile/internet services. As the TSP/IP are providing/

supporting Telecom services the power disconnection to telecom installations on account of any planned repair/maintenance activity shall not be done without prior notice to the concerned TSP/IP at least 15 days in advance.

16. Seizure and removal of unauthorized telegraph infrastructure :

- (1) If any person, after the issuance of these guidelines, installs or continues to install any tower or any other telegraph infrastructure without obtaining the prior permission and depositing the prescribed fee and charges then in such cases power/electricity connections shall not be provided. The Nodal Officer, through Local Body and Land Owning Agency, may seize and remove such tower and the expenses incurred by the Local Body and Land Owning Agency for such removal or seizure shall be recovered from the licensee/person concerned :

Provided that before seizure or removal of tower etc. the Nodal Officer shall afford an opportunity of hearing to the concerned person/licensee by giving at least thirty days' notice to him.

- (2) In case any Telecommunication system has been seized or removed under this Para, intimation shall be sent immediately to Dept of IT & C and to the TERM Cell of DoT in the State. TERM cell, Arunachal Pradesh office shall update details of their designated officials with the Department of IT & Communication from time to time.

17. Right of authorities to seek removal :

- (1) Where the State Government or local body or Land Owning Agency or the Nodal Officer, having regard to circumstances which have arisen since the installation of any telecom tower or the establishment of any underground or over-ground OFC/telegraph infrastructure under, over, along across, in or upon any immoveable property vested in or under the control or management of the State Government or the local body or the appropriate authority, that is necessary and expedient to remove or alter such telecom tower or OFC/telegraph infrastructure, the Nodal Officer shall issue a notice to the applicant (licensee), being the owner of such telecom tower or OFC/telegraph infrastructure, to remove or alter its location.
- (2) On receipt of the notice under Sub-Para (1), the applicant (licensee) shall, forthwith and within a period of thirty days, proceed to submit, to the Nodal Officer, a detailed plan for removal or alteration of such telecom tower or OFC/telegraph infrastructure.
- (3) The Nodal Officer shall, after examination of the detailed plan submitted by the applicant (licensee) under sub-Para (2), pass such orders as it deems fit:

Provided that the Nodal Officer shall, having regard to emergent and expedient circumstances requiring the removal or alteration of such telecom tower or OFC/telegraph infrastructure, provide reasonable time to the applicant (licensee) for removal or alteration of such telecom tower or OFC/telegraph infrastructure :

Provided further that the responsibility and liability, including the cost thereof, for removal or alteration of such telecom tower or OFC/telegraph infrastructure shall be borne by the applicant (licensee).

NOTIFICATION

The 3rd May, 2018

Subject : Deen Dayal Upadhyaya Swavalamban Yojana

No. PD(SPD)-29/DDUSY/2017-18/296. — The Government of Arunachal Pradesh has decided to continue the Deen Dayal Upadhyaya Swavalamban Yojana to encourage unemployed youth and entrepreneurship and to gain access to low cost capital for entrepreneurship.

- (a) Under this scheme, a provision of 40% back ended capital investment subsidy to the beneficiaries has been made who wish to set up small and medium enterprises with a loan from ₹ 10.00 lakhs upto ₹ 50 .00 lakhs excluding the cost of land and building.
 - (b) The loan component would be 30% of the project cost.
 - (c) Entrepreneurs would be required to contribute at least 30% of project cost as their contribution. Preference will be given to those who contribute a greater proportion.
 - (d) Women entrepreneurs will be additionally eligible for 5% interest subsidy annually provided the entrepreneur does not become Non-Performing Asset (NPA).
 - (e) Entrepreneurs will be required to be registered under Start Up India Scheme.
2. The sectors covered under this scheme are:-
- (a) Food-processing units in agriculture, horticulture and allied sectors including packaging, cold chain, cold storage, milk and food processing etc.
 - (b) Eco-tourism including home stays and tour operators.
 - (c) Traditional textile weaving for modernisation of traditional looms and purchase of new looms to start a new weaving unit.
 - (d) Small scale manufacturing units /service centres/ diagnostic centres to be set up by qualified graduates/ Diploma holders.

(Preference to be given to those unemployed youths having Degree/Diploma holders in Tourism & Hospitality, ITI or any other technical degree/diploma related to Fabrication, IT, Mobile repairing, Motor Garage etc. Preference will also be given to private doctors for opening of medical clinic and diagnostic centers in the Border CD blocks. However, the clinical fees shall be fixed at a reasonable rate).

3. A District Level Screening Committee would screen the loan applications.

The District level Screening Committee shall comprise of the following:-

(a) Deputy Commissioner	-	Chairman
(b) ADC HQ	-	Member
(c) District Industries Officer	-	Member
(d) District Agricultural Officer	-	Member
(e) District Horticulture Officer	-	Member
(f) District Fishery Officer	-	Member
(g) District Textile Officer	-	Member
(h) District Tourism Officer	-	Member
(i) District Lead Bank Manager	-	Member
(j) District Planning Officer	-	Member-Secretary

- The District Planning Officer (DPO) will function as Entrepreneurship Development Officer. The prospective entrepreneurs should submit their applications in prescribed format as at **Annexure 'A'** along with the educational qualifications and make a presentation before the District Level Screening Committee which would meet at least once a month.
- Based on the budgetary provision, Planning & Investment Division of Finance, Planning & Investment Department will convey district-wise yearly target to the Deputy Commissioners. The State Government will reserve the right to review the targets, if necessary.
- While submitting the project proposals at the District level, the candidate will have to submit a concept note in the standard format. The screening committee will first scrutinize the proposals by involving Bank Managers. The short listed candidates will have to make PPT presentation before the District committee before it is forwarded to the State Government. The concerned bank managers should satisfy themselves that the project proposal is bankable and also ensure that all relevant documents for loan are enclosed with the application.
- The commitment by the State Govt. will be only in the form of a guarantee to release back ended subsidy by the State Government subject to the condition that any Scheduled Bank should be authorized to advance loan against the project of the applicant and the onus of availing the loan from the scheduled bank will be entirely and entirely the responsibility of applicant.
- Thereafter, the bank will consider the application of the candidate for loan. Once the loan is approved, the same will be conveyed by the Bank to the Planning & Investment Division through Lead Bank Manager. The State Government will release the subsidy to the bank in instalment commensurate with the progress of the scheme, A mutually agreed amount may be placed with the bank in advance which will act as buffer for this purpose. To this effect Planning & Investment Division will take necessary steps for obtaining A/A and E/S from the competent authorities and transfer subsidy amount to the bank.
- The Banks will further release subsidy to the applicant with due approval of Deputy Commissioner concerned only after a joint field inspection by the District Planning Officer and the concerned Branch Manager and submission of a report by them to the Deputy Commissioner recommending release of subsidy amount.
- The recommendation of District Level Screening Committee will be considered final and there will be no request to Finance, Planning & Investment Department for any review. Since, there is a loan component in the scheme which has to be decided by Banks depending on the bankability of the project, any request for review may be re-submitted to the District Committee only for appropriate decision.
- DDUSY can be dovetailed with Mudra Yojana and Banks may kindly honor such a convergence.
- This is issued with the approval of Hon'ble Chief Minister.

Dr. Joram Beda, IAS
Secretary (Planning & Investment),
Government of Arunachal Pradesh,
Itanagar.

4. **Selection of Schemes** : An illustrative list of works which can be taken up under CMSSY, is at **Annexure-I**. A List of works not permissible under CMSSY is at **Annexure-II**.
5. **Preparation of ANNUAL ACTION PLAN** : It will be the responsibility of State Level Executive Committee to prepare the Annual Action Plan for the State under CMSSY each year. SLEC shall prepare the plan by collating the District Action Plans prepared by the DLECs as per the guidelines prescribed herewith.

The SLEC shall meet at least twice in a year. The first meeting shall be convened in July in order to finalize and approve the schemes recommended by the DLEC as stipulated in the guidelines for the following year. The Annual Action Plan (AAP) will be finalized in the first meeting and communicated to the Department of Finance, Investment and Planning for release of funds. The 2nd meeting of the SLEC shall be held in December to review the progress of schemes under the CMSSY, submission of Utilization Certificates (UCs) & Quarterly Progress Report.

The SLEC/projects for a particular year once approved by the SLEC as recommended in Annual Action Plan shall ordinarily be not changed. However, any change in the schemes will be considered only after the recommendation by SLEC on account of operational difficulties and special circumstances.

The SLEC shall furnish the Annual Action Plan of CMSSY as proposed by the DLEC to the State Government as in the proforma given at **Annexures - III** ₹ 100 Crore has been provided under the Scheme which will be divided equally among 23 districts for the year 2018-19. The year-wise allocation to districts may vary as per the performance and requirement of funds district-wise on decision by SLEC.

6. **Flexibility in Execution of programme** : To provide flexibility, schemes under the CMSSY can be executed by any of the following agencies:

- State Government agencies would be either PWD, RWD, PHED, UD, RD only as per allocation of Business Rules.

Due emphasis shall be given to effective involvement of local population in planning. Scheme shall be planned to take care of the specific problems faced in the Government Schools/colleges/institutions across the State. The District Level Executive Committee (DLEC) shall draw the annual plan for each district by keeping in view the objectives of overall balanced distribution of resources and assessment made by the district committee in the gaps in Physical and non-physical infrastructure in the various Government Schools/Colleges across the State. Emphasis must be laid on the holistic development and imparting of quality education in the schools/Colleges. Hence, to facilitate the same, the maximum expenditure for the amount/fund is suggested as follows :

Sl. No.	SECTOR
1.	Provision of Water supply
2.	Construction of Toilets, kitchen shed, playground in the school/college/polytechnics/ boundary wall
3.	Construction of additional classroom, boundary wall and teachers quarters
4.	Procurement of IT infrastructure like Computers, printers, Wi-Fi routers, VSATs etc.
5.	Repair and maintenance of classrooms including whitewash.
6.	Electrification of the school/college
7.	Procurement of Desk, Benches, Whiteboards, Greenboard, (Gas Cylinders, Utensils & RO) for MDM
8.	Procurement of Laboratory equipments and books for library
9.	Procurement of Sports Infrastructure and equipments
10.	Hiring visiting faculty from outside to aid the gap of maths and science skills
11.	Conduct of Parents Teachers Associations, Annual school day, competitions between schools/ colleges, school/college diaries, annual school/college magazines etc
12.	Conduct activities of NSS and NCC.

The DLEC shall ensure that there is no overlapping of the schemes taken up under CMSSY with that of the ongoing schemes of Central Governments/State Governments and funds coming through various channels. There shall be an inventory stock register which will be maintained by DLEC for the activities taken up under CMSSY. A copy of the same shall be submitted to SLEC every year.

The DLEC shall look into the convergence and dovetailing with on-going development programs and schemes of different Ministers/Departments of Central/State Government and funds coming through various channels e.g. ISSE, MDM, SADA, SIDF, RUSA, NES, NESIDS, BADP etc.

The DLEC shall have consultation with MP, Teachers, School Management Committees, Women's Group, PRI members and CBOs to know the felt-needs of the people and will give due consideration to the proposals. The DLECs shall take final decision keeping in view the people's priorities, and its own assessment for bridging the gaps in educational infrastructure and services for selection of activities within the overall sectoral priorities.

The District Level Executive Committee shall discuss the schemes with all the concerned and ensure that critical gaps in the educational infrastructure are addressed and then forward the Annual Plan of CMSSY to the SLEC latest by July every year. In case, the Annual Plan is not submitted by end of June, the State Level Executive Committee may divert the funds pertaining to the district to some other deserving district. In 2nd meeting of SLEC during midyear, if respective districts have not been able to optimally utilize the available fund resources, then Department of Education, Itanagar may propose projects as per its assessment.

SLEC will sit in the first week of July to finalise all the proposals received from the district and will prepare State Annual Action Plan. Once the SLEC finalizes the plan, Department of Finance will transfer 50% of the funds directly to the account of the SLEC on PFMS Mode which would further transfer the funds to DLECs.

SLEC shall adhere to the following timeline for preparing the Annual Action Plan of the CMSSY :

Activity	Timeline
Forwarding of District Level Action Plan by DLEC to SLEC	1st week of July
Scrutiny of the plans by Education Department	End of July
Meeting of SLEC to finalise the AAP	1st week of August
Transfer of funds to SLEC by Department of Finance	Within one week of receipt of SLEC approved AAP
Release of 1st installment (i.e., 50% of fund to the Districts)	End of August

Funds will be released to the Districts on quarterly basis. The subsequent fund will be released on submission of Utilization Certificate by the concerned district. The fund will be released in 3 phases of the total Annual amount viz; 50%, 25%, 25% respectively in the months of Aug, December and February.

An amount not exceeding 1% of the budgetary allocation of the CMSSY in a particular year will be kept reserve and will be placed at the disposal of the Department of Education and the same shall be sanctioned by the Chairperson SLEC concerned for urgent schemes/projects, contingencies, monitoring and other unforeseen circumstances.

7. **Funds Flow :** Before the commencement of the Financial Year, the Department of Finance, Planning & Investment would convey the quantum of funds allotted to the State during the next year under the CMSSY.

Funds will be released to Districts in three installments. Funding for the subsequent year will be based on confirmation of expenditure and receipt of approved list of schemes. The 1st installment of 50% of the allocation of the CMSSY will be released to the SLEC only after the receipt of Utilization Certificates (UCs) for the amount released in the previous year except the preceding year; If there is any shortfall in furnishing the UCs for the amount released during the previous years, except the preceding year, the same would be deducted at the time of release of the 1st installment. The 2nd and 3rd installment of the remaining 25% each of the allocation of the Districts will be released after furnishing of the UCs to the extent of not less than 50% of the amount released during the preceding year, and furnishing **Quarterly Progress Reports** (Physical & Financial) up to the quarter ending September (i.e., 2nd Quarter of the Financial Year). (Annexures - IV).

To the extent of submission of pending UCs pertaining to the previous years, deduction, if any, made in the release of 1st installment for non-submission of UCs will be made good at the time of release of 2nd installment.

8. **Monitoring and Review :** The Department of Education shall develop an institutional system for inspection of the CMSSY schemes/projects and submit reports to the SLEC.

A inspection team will be made under the discretion of Secretary Education for monitoring the scheme at District Level Executive Committee.

Third party inspections will be commissioned by the Department of Education for an independent feedback on the quality of work and other relevant issues. An appropriate 'Social Audit System' should also be put in place by the State Government.

The District Level Executive Committee shall take responsibility of monitoring of implementation of works under the district as well as the quality of works and submit a report on quarterly basis to Office of Secretary (Education) for onward submission to State Government as an Annual Work Report.

Annexure - I

GUIDELINES FOR IMPLEMENTATION OF DRONACHARYA GURUKUL YOJANA**Para 55 Page 24 of Budget Speech Document 2018-19 by HMF read as under : -**

1. This year we are launching an ambitious scheme: **Acharya Dronacharya Gurukul Yojana with a total allocation of ₹ 15 crore.** Under this scheme, a talent hunt will be conducted by the Education department in Class 6 and 9 based on Maths and English Skill and the top 10 students of each district will be identified in both classes. At both levels, a merit scholarship of ₹ 2000 per month will be paid to students on DBT route for two years and they will be given laptops. A focused mentoring for these students will be done through mentor teachers in Science and English through coaching clinics to be established in the district headquarters. Upto three teachers would be allowed including volunteer college teachers and be given a monthly honorarium of ₹ 10,000 per month for coaching these students in a focused manner. Based on the Board exams of class 10 in science stream, specialized coaching classes will be given to the top 10 students studying in Government schools of each district in these coaching clinics by retired teachers or college lecturers who will be given an honorarium of ₹ 10,000 per month. Career counseling would be provided to students with more than 70 percent in arts stream and 65 percent in science stream will be given focused career counseling for securing admission outside the state and a monthly stipend of ₹ 5000 per month will be sanctioned for their accommodation. Apart from this, for students who seeks loans through State Bank of India for higher education of upto ₹ 7.5 lakh, collateral free loans would be given and the State Government would provide a capital subsidy of ₹ 2.5 lakh to the bank upto 200 students. There would be an interest moratorium for the duration of the course and an additional year.

2. **Objective :** Dronacharya Scheme has been launched in the state with effect from 1st April, 2018. The purpose of the scheme is to identify the intellectual students studying in Government Schools, promote science subjects in the state, promote meritorious students who wish to study outside the state and to provide mentoring to the meritorious students for excelling in their field. The scheme of Dronacharya Gurukul Yojana will be implemented in the State only for students studying in Government schools and Kasturba Gandhi Balika Vidyalayas with a total allocation of ₹ 15.00 Crore from the session 2018-19. It is not applicable to Govt. Aided Schools, Private Schools & Central Govt. Schools like KVs & JNVs at all. It will be in addition to other stipend / scholarship being provided to the eligible candidate over and above the existing one.

3. **Execution of the Scheme :** A State Level Executive Committee under the Chairperson of Secretary Education shall be constituted for executing the scheme with following composition :

- (c) The Mentor Teacher possesses the specific skill for guiding students at the higher secondary level.
- (d) The Mentor Teacher is a person of sound moral values.

11. It was felt that the local students who aspire to study in the reputed Universities outside the State such as Delhi University, BHU, AMU, JNU Guwahati University, Tezpur University, Shillong Universities etc somehow are not able to fulfill their wishes due to lack of proper funding. Therefore, the Govt. has decided that to motivate and support such students the following guidelines are to be implemented.

12. After announcement of Class 12 Board examination results, students with more than 70% marks in Arts & Commerce streams (Best of 4 subjects) and 65 % marks in science stream (Best of 4 subjects) will be given focused career counseling for securing admission outside the State and 10 students from each districts will be given a monthly stipend of ₹ 5000 who will study outside the State. For acquiring stipend in the second and subsequent year, the students have to provide attendance certificate from the Universities/ Institutions concerned and have to score at least 50% marks in each semester. The Specialized Mentor Teacher will have the responsibility to guide the students to apply in best universities/colleges as per the talent of the student.

13. The District Level Executive Committee shall recommend 10 cases from each district who wish to seek loan from SBI. 200 Students studying outside approved by State Level Committee who seek loan through State Bank of India for higher education up to ₹ 7.5 Lakh, collateral free loans will be given and the State Govt. would provide a capital subsidy of ₹ 2.5 Lakh to the Bank. There would be an interest moratorium for the duration of the course and an additional year.

14. To make the process student friendly, the entire subsidy will be transferred to Regional Office SBI Itanagar which will act as a nodal agency to transfer the subsidy to the concerned bank branch of the State. The DLEC shall recommend the cases of Education Loan directly in the SBI Bank branches which will avail subsidy component from Regional Office SBI Itanagar.

15. The detailed financial implication for Dronacharya Gurukul Yojana is given below : -

6.	Laptop - Class -IX	10 x 23 x 60000	1,38,00,000.00	Deputy Commissioner
7.	Laptop - Class -XI	10 x 23 x 60000	1,38,00,000.00	Deputy Commissioner
8.	Accommodation Stipend-class- XII pass students	500** x 10 x 5000	2,50,00,000.00	Director Secondary Education
9.	Subsidy of loan	2.5 lakh x 200 students	5,00,00,000.00	Director Secondary Education
TOTAL			₹ 15,00,00,000.00	
				(Rupees fifteen Crore) only.

*Subjects - Physics, Chemistry, Biology & Mathematics.

** Approximate 15000 students appeared for AISSCE Board - 2018 (class- XII).

Last year Result for Government school was 38.83%, therefore 40% of 15000=6000. We expect given the trend that at the maximum 8% would qualify the criteria set for this accommodation stipend therefore 8% of 6000=480 say 500.

GUIDELINES FOR IMPLEMENTATION OF ADHUNIK PATHSHALA YOJANA

Para 52 Page 23 of Budget Speech Document 2018-19 by HMF reads as under : -

- “(I) **The Chief Minister’s Adhunik Shiksha Yojana has seen the installation of smart classroom program in over 717 classrooms in the state and has seen an enthusiastic response of students and teachers. This year we propose to allocate a sum of ₹ 35 crore for expansion of this scheme to cover another 800 classrooms. This would include select classrooms of VKV schools and Ramakrishna Institutions.**
- (II) **This scheme will be expanded further this year and one model residential school will be established in each district by upgrading the facility of existing secondary/higher secondary school. It will include provision of a high tech computer laboratory with laptops and free Wi-Fi. The Divisional Commissioner and the Deputy Commissioners would be personally responsible for monitoring the outcomes of these schools. Admission to these schools shall be through District Level Entrance Exams and the best teachers of the district shall be deployed there. A special grant will be provided for running hostel facilities and I am proposing to earmark an additional allocation of ₹ 25 crore for this purpose.”**

PART – (i) of Budget Speech**IMPLEMENTATION OF CM’s ADHUNIK PATHSALA YOJANA (SMART CLASSROOM)****1. Introduction :**

Digital India Program focuses on all sectors including Education. Many states in the country have adopted improved methods of teaching through IT and modern approach. Smart classroom is one of such methods. The State of Arunachal Pradesh is lagging behind in this matter. The state needs to catch up with rest of the country in adopting modern approach towards teaching and learning process.

The State Education Department has therefore proposed to take up the modernization of teaching through new IT method during 2017-18.

Under Chief Minister's Adhunik Shiksha Yojana in 1st phase during 2017-18, earmarked fund amounting to ₹ 30.00 crore was placed in the IT Department. Department of IT has re-allocated ₹ 13,14,28,000 as 50% payment being the 1st installment to Director of Elementary Education and the same was paid to EdCIL (India) Limited as per MoU in the month of September, 2017. Directorate of Elementary Education has already written to Director IT&C for re-allocation of balance fund of ₹ 16,85,72,000 for implementation of Smart Classrooms to clear the outstanding expenditure relating to Smart Classrooms. The same has not been received from the IT Department during FY 2017-18. Now, we have to clear the outstanding expenditure in FY 2018-19, keep the balance amount of ₹ 16,85,72,000 in the Budget Provision of SADA, 2018-19. Committed liabilities of ₹ 16,85,72,000 will be settled out of ₹ 35.00 Crore allotted during 2018-19 and the left amount will be utilized for rest of the schools. Therefore balance amount will be implemented for this stage and accordingly the no. of schools for remaining amount will be adjusted. VKVs and RK Mission schools are already getting GIA. Hence they are not entitled for this scheme.

2. The 1st phase implementation of Smart classrooms :-

The 1st Phase of smart classrooms has been introduced in the following Govt. Schools of Arunachal Pradesh in 2017-18.

Government Higher Secondary Schools	-	100
Government Secondary Schools	-	182
Government Upper Primary Schools	-	178
Government Primary Schools	-	253
Total	-	713 schools

3. The 2nd phase implementation of Smart Classrooms :

3.1 During the budget speech of 2018-19, Hon'ble Deputy CM, who is in charge of Finance, announced amounting to Rs. 35 cr. for implementing the program under 'Chief Minister's Adhunik Shiksha Yojana' in 800 schools as 2nd phase.

3.2 The program is proposed to be in phase-wise manner. The 2nd phase is proposed to be introduced in 463 nos. of Govt. Upper Primary Schools.

3.3 Provision of Power Supply :-

3.3.1 The schools with regular power supply but have not covered during the 1st phase implementation of Smart classrooms will be taken up in the 2nd phase during 2018-19. The Deputy Commissioner and DDSE of districts will select such schools and forward the list to Directorate of Elementary Education.

3.3.2 The schools where there is no regular power supply, Solar UPS or Solar Inverter of 1.5 KVA has to be managed by DC or DDSE concerned district.

4. Selection of Devices :

There are different types of smart classroom devices available in the market. Some of the types are :

4.1 Fixed devices with separate monitor, Speaker, laptop, projector etc

4.2 Portable Integrated device with all in built components together.

Preference will be given to Para 4.2, which is portable and easy to carry from one class room to another.

5. Selection of service provider and Procurement of Devices :

5.1 The Service provider will be the same as last year, i.e., EdCIL, PSU working under MHRD, GoI for easy implementation.

6. Operational Training :

6.1 Training of teachers will constitute important component of the program. The Service Provider will arrange for imparting the required training for Master trainers at State level and then teacher training in the selected schools. This will be followed by teacher training in the selected schools on quarterly basis for one and half year. Thereafter, refresher training will be organized in every six months. Training report along with attendance sheet and copies of feed back of the teacher trainees will be submitted to the Director of Elementary Education after every training programme.

7. Preventive maintenance :

7.1 Technical support and maintenance will be another important component for sustaining the program. The Service Provider will have to deploy engineers to attend any technical problems of the devices in short notice within 3 to 5 days.

7.2 The service Provider should preferably engage local unemployed qualified youths.

- 7.3 The service provider should have zonal technical supports team for each of the five Zones as identified by the department at **para No.16.4.2**

8. Mode of Delivery of Devices :

- 8.1 The stocks will be delivered by the Service Provider up to school door step. The devices will be delivered first in the Directorate of Elementary Education office. The same will be verified at the State level with the help of technical persons from the IT&C Department, Govt. of Arunachal Pradesh.
- 8.2 Thereafter, the devices will be dispatched to the DDSE's in the district. Before dispatching, to the selected schools, DDSE will arrange physical verification and technical specification of the devices under the chairpersonship of respective Deputy Commissioner along with technical persons from NIC in the Districts.

9. Programme Management :

- 9.1 **State Level :** The overall responsibility of the programme at the State level shall rest with Directorate of Elementary Education. A cell, headed by a Nodal officer, not below the rank of Sr. Group "A" officer having sufficient experience in the sector assisted by an officer having minimum rank of Group "B" officer of school level experience will manage the programme implementation.
- 9.2 **District Level :** A cell headed by DDSE along with a BEO (Academic)-Cum-Programme Coordinator assisted by Master Trainer will oversee the implementation of the programme in all selected Govt. Schools of the district. The cell would monitor the programme and also to maintain all records including physical reports on monthly basis to be sent to the State for further necessary action.
- 9.3 **School Level :** The Head of the School assisted by the computer teacher would be responsible for the school-level implementation. The School Management Committee, the Parents Teacher Association and the local bodies would be fully involved. All efforts would be made to make the school an information hub for the local community.

10. Monitoring & Evaluation :

- 10.1 For proper and smooth implementation of the project, the Monitoring & Evaluation mechanism will be evolved strong and effective as under :-
- 10.1.1 **External Monitoring** will be conducted by the Department of IT&C, GoAP. The External Monitoring Institution will have to monitor at least 10 nos. of ICT selected schools in each district from all 23 districts including Capital Complex every quarter. The report along with corrective suggestion of the same to be submitted to the Education Department annually for period of 3 years, w.e.f. 2018-19 to 2020-21.
- 10.2.1 **Internal Monitoring** will be conducted by the Education Department. The monitoring & action taken reports of Districts and Blocks to be submitted to the Director of Elementary Education in every month for onward submission to the Govt. A system of monitoring from State level to Block level will be constituted as under :
- 10.1.2.1 State Level Monitoring Committee :

WORKING GUIDELINES FOR IMPLEMENTATION OF CHIEF MINISTER'S WHITE REVOLUTION SCHEME AND OTHERS

1.0 INTRODUCTION :

1. Realising the potential of Dairy sector in the state, a good number of initiatives have already been started by the State Government in the recent past. The Government of Arunachal Pradesh has entered into MoU with National Dairy Development Board (NDDB) who has identified 6 dairy potential districts of Namsai, Lohit, Lower Dibang Valley, East Siang, Papum Pare and West Kameng for holistic development of dairy sector in “**AMUL**” or ANAND Pattern of Cooperative dairying. The “Chief Minister's

White Revolution at Lohit” was announced in the last year’s budget to establish a Dairy Plant in Tezu financial support of ₹ 5.0 crore, is in its implementation stage. In addition to this, two other milk processing units at Itanagar (5000 litre/hour) and Pasighat (2000 litre/hour) have already been made operational and another at Rupa (2000 litre/hour) is likely to complete this year with a total processing capacity of 55000 litres raw milk requirement per day. To cater to the need of raw milk requirement of these units, the thrust is needed to boost up milk production :

2. To implement the Scheme the Department of Animal Husbandry, Veterinary and Dairy Development Nirjuli will tie up with State Cooperative Apex Bank and NABARD to bring about a white revolution in the State of Arunachal Pradesh.
3. These Scheme will metamorphose the dairy scenario in the State, which will now accommodate growing demand of infrastructure development in dairying sector for the benefit of the dairy farmers.
4. The biased system of selecting dairy beneficiary will be done away by selecting the traditional dairy farmers who are genuinely in the subsistence dairy farming activity from the 6 (six) identified milk potential districts by organising them into Dairy Cooperative Society.
5. 10 (ten) Dairy Clusters, each comprising of 5 Milk Societies of approximately 12-20 farmers covering Pasighat, Rupa, Tezu, Chowkham and Namsai, in the operational area of four processing Dairy Plant units will be assisted so as to cover at least 1000 farmers/beneficiaries with financial support for 6 animals per beneficiary (unit cost ₹ 6.0 lakh/unit) from the current budget announcement.
6. The Department shall establish one State of the art 200 cows capacity Hi-Tech **Cattle Breeding Farm** at the foothill region having highway and rail connectivity. The Farm will have state of the art barn with mechanized milking and production of quality Jersey-X/heifers for distribution to the farmers.
7. The Arun Dairy plant at Karsingsa was established and installed in the year 1995-96 under IDDP (CSS) Scheme and due to wear and tear, break down happens for which refurbishing of the machineries. A mechanism of Minimum Support Price (MSP) for procurement of milk will be carried out with in collaboration with Arunachal Pradesh Cooperative Milk Producers Union by strengthening of the milk testing laboratories at Karsingsa, Pasighat and Rupa for conforming the quality of milk as per FSSAI standards.

2.0. NODAL DEPARTMENT OF THE SCHEME :

1. The Department of Animal Husbandry, Veterinary and Dairy Development, Arunachal Pradesh will be the Nodal Department and the Managing Director (IDDP) shall be the Nodal Officer of the Scheme.
2. The Arunachal Pradesh Cooperative Milk Producers’ Union Limited, registered under Cooperative Act, 1978 shall be the implementing agency for milk procurement and marketing of the Scheme directly empowering the dairy farmers through village DCS.

2: Modalities for CATTLE BREEDING FARM (State of the art)

1.0 INTRODUCTION Cattle Breeding Farm :

1. Considering the economic and business subsistence ability of the dairy, requirement of quality milking cow germ plasm has become most sought after as the State of Arunachal Pradesh has no Good quality cattle breed of its own, FURTHER, due to extreme difficulties in sourcing the superior germ plasm from mainland India, requirement of milch cows is tremendously increasing day by day. This unavailability of good quality milch cows is hampering the development of dairying in the State to boost milk production. At this juncture innovative stimulation was essential to establish a Hi-Tech cattle breeding farm so that good quality milch cows are available for sale to the farmers of the State.
2. The strategy that needed is to establish one state-of-the-art **Hi-Tech Dairy Farm** on Israel model so as act as demonstration farm and source of quality germplasm. The capacity of the Farm should be not less than 250 Holstein Friesian cow and 250 HF Heifers.
3. The target production should be 200 heifer per year for subsidy distribution purposes to the farmers in milk potential areas.
4. The targeted milk production would be 2500 Litres per day.
5. The State of the Farm will be Called as **Govt. Hi-Tech Dairy Farm**, and which will be operated on Mission mode of implementation, as per the proposed guidelines.

2.0 NODAL DEPARTMENT OF THE SCHEME :

1. The Department of Animal Husbandry, Veterinary and Dairy Development, Arunachal Pradesh will be the Nodal Department and the Managing Director (IDDP) shall be the Nodal officer of the Scheme.
2. The Joint Director, Veterinary Training Institute, Pasighat, East Siang District having DDO power, shall act as the DDO and Head of the Office to draw the salaries of the staff.
3. The Operation of the Govt.Hi-Tech Dairy Farm, shall be on Mission Mode under the independent CONTROL of the Manager (DAH&VO & equivalent) for all purposes.
4. The Arunachal Pradesh Cooperative Milk Producers' Union Limited, registered under Cooperative Act, 1978 shall be the implementing agency for milk procurement and marketing of the milk produced in the Hi-Tech farm.

3.0 OBJECTIVES OF THE HI-TECH DAIRY FARM :

3.1 Near Term :

1. To produce milk in volume with highest quality standard produced from highly pedigreed healthy HF cow.
2. Forging collaborations with Milk Union for carrying out Chief Minister's White revolution at the best possible way.
3. A dairy farm enterprise where contemporary and organic production practices are maintained.
4. To improve continually of farm management and integrate with farming and agriculture to get best out of available resources.

3.2 Long Term :

1. To setup a resource centre for dairy farmers based on Hi-Tech dairy management and economic practices in the dairy farming.
2. Equipped with Hi-Tech dairy farming management system for self-sufficient resource to build confidence in the local farming communities in and around the vicinity of White revolution scheme.
3. Forge Non-Profit mode of operation which would help small scale farming community to setup farms from the quality germ plasm produced in the farm driven by various schemes of the State Government.

4.0 GUIDELINES AND IMPLEMENTING STRATEGIES :

4.1 MISSION MODE of Modern Dairy Farm Operation :

The Successful dairy farming harnesses all available resources into productive and profitable unit and achieve the goal. Dairy farming is highly complex as it includes breeding, management, feeding, housing, disease control and hygienic production of milk on farm. The judicious use of means and resources to achieve clearly defined goals is the key success factor in modern dairy farming i.e. the art of maximization and optimal utilization of resources for maximizing productivity.

4.2 ORGANIC DAIRYING : The Organic Approach

To begin, organic farming generally prohibits the use of man-made pesticides, herbicides and fertilizers, as well as antibiotics, hormone treatments, genetically modified organisms, sewage sludge. The Modern Dairy Farm will follow principles of the Organic Approach.

5. MISSION MODE OF OPERATION OF MODERN DAIRY FARM :

- (i) The Government Modern Dairy Farm shall be operated on **Mission mode** on commercial line for efficient forward and backward linkages by managing the farm by recycling from its sale proceeds on milk, FYM with main target of producing high quality germplasm without contemplative view on revenue generation for the State exchequer.
- (ii) Recycling of the farm sale proceeds through deposition in the Consolidated account to be operated by the Joint Director (VTI) and the Manager by opening a SAVINGS Bank account in a Nationalised bank.
- (iii) The Revenue minus the Annual Operation cost will be deposited at the end of Year end after Internal Audit by an appointed body by the Government which may be Inter-Department, a Chartered Accountant or by AG (AP).
- (iv) The Department shall invite expression of interest from the eligible officer (s) and Staff to be handpicked by a Board consisting of the Commissioner (AHV&DD) as Chairman with Director (AHV&DD) and the Nodal Officer of the Scheme for the following posts to run the Government Modern Farm on Mission mode of Operation.
- (v) All the activities specified in the Budget Announcement for establishment of the Modern Dairy Farm (Cattle Breeding Farm) shall be invited through Expression of Interest (Eoi) Tender form the refuted companies for Turn-key project implementation. The Tender will include Design of the Barn, construction of the infrastructures. Supply and installation of and all machineries and commissioning including the Herringbone milking parlour and farm management softwares etc.
- (vi) The Manager will act as the Head of establishment, but will function under the control of Joint Director VTI, who will act as his controlling officer for all purposes. But the control of the operation of the Cattle Breeding farm shall vest with Manager in all aspect of management.
- (vii) The Veterinary officer(s) and all other staff will work under the direct supervision and control of Manager, however the Joint Director (VTI) shall act as DDO of the staff.
- (viii) The Cintingent workers will be based on the principles of Dairy operation on "Pay on Duty" basis by an automated attendance system.
- (ix) The existing milch animals will be improved genetically so that more milk can be produced and quality germ plasm is produced for distribution to the farmer under the Chief Minister's White revolution Scheme only.
- (x) Cattle feed requirement of farm is expected to be 109.5 thousand MTs annually based on the projected milk procurement of 10.0 lakh ltr. per annum. This will necessitate purchase of good quality cattle feed from outside e.g Godrej Agrovet Cattle Feed by around 40 MTs per day. The purchase of the feed will be meet by recycling the sale proceed of milk.

3: Modalities for Strengthening and Revitalising ARUN DAIRY

1. Status of ARUN DAIRY :

2. The Milk Processing plant at Karsingsa was established from a CSS scheme under the Integrated Dairy Development Project (IDDP) in the year 1995-96. As per the directives and guidelines of the IDDP project an autonomous Cooperative Organization was registered by the name Arunachal Pradesh Coop. Milk Producers Union Limited vide Registration No. Coop (Org) 115/2007.
3. The Dairy Development Project head in the Department of A.H. Veterinary with an honorary post of Managing Director, (Integrated Dairy Development Project) was created under Head of accounts-2404 in the year 1995, to act as HoD of the Dairy Dev. Project staff sanctioned to run the IDDP project, The following subjects were allocated under Dairy Dev. head as per Business of Government of Arunachal Pradesh (allocation) Rules, 1998 and 13 regular posts were created to run the project in the state. :-
 - (a) Enhance the milk production
 - (b) processing of milk and milk products.
 - (c) Collection and marketing of milk and milk products.
 - (d) organisation of DCS through IDDP
 - (e) Imparting training on dairy management.

4. Dairy Development in Arunachal Pradesh took off under the Non-operational flood, hill and backward area development programme of Government of India, wherein a part of the East Siang and Papum Pare district was brought under the ambit of Integrated Dairy Development Project in Arunachal Pradesh. The following programmes were taken up :
 - (a) Establishment of 5000 LPD Dairy Plant at Karsingsa.
 - (b) Establishment of 2000 LPD Chilling centre at Pasighat.
 - (c) Organization of 58 Dairy Cooperative Societies.
5. Under the Prevention of Food adulteration Act and Weight and Measures Act, it was mandatory to register the milk processing and obtain a certificate. In conforming to these Act (s). The application for registration was applied to the PFA at Department of Health for which a Trade name was required.
6. The "**ARUN DAIRY**" was the trade name give of the pasteurised package milk after processing at the milk processing plant Karsingsa for obtaining a License for milk packaging and selling as per the above Acts of the Government.
7. The License No. obtained **10215001000158** under the Arunachal Pradesh Coop. Milk Producer's Union Ltd. as a mandatory to the FPA Act now FSSAI.
8. The **Milk** Union was established for the Operational area of entire State of Arunachal Pradesh and the office of the APCMPUL is situated at the office of the Dairy Plant Complex, Karsingsa and to be shifted to Dairy Plant Pasighat, East Slang District.

2.0 Strengthening and Revitalising of ARUN DAIRY :

1. The machineries of the ARUN DAIRY milk processing plant at Karsingsa, Itanagar, Arunachal Pradesh was supplied and installed in the year 1996 under the CSS Scheme IDDP of the Government of India. The machineries were installed under the Consultancy services of the National Dairy Development Board (NDDB). The machineries at the milk processing plant Karsingsa, breaks down due to wear and tear of the plant machines. The following were the details of break down of milk plant, Karsingsa since 2007.
2. As the Milk Processing plant (ARUN DAIRY) is **Twenty two (22) years old** since installed and the machineries have become very old, it is **prone to BREAK DOWN** and in absence of any replacement machanism or **CORPUS FUND**. Therefore, the following comprehensive proposal is made for strengthening and revitalising the ARUN DAIRY as announced in the Budget Speech 2018-19, so that the ARUN DAIRY plant at Karsingsa can handle the eventuality of breakdown in near future :

3.0 PROPOSAL :

In order that the ARUN DAIRY plant at Karsingsa is run without any break down the following machanism is proposed as per the BUDGET SPEECH 2018-19 ANNOUNCEMENT :

1. All the machineries in the ARUN DAIRY plant Karsingsa, will be refurbished, where the old machineries will be replaced and new machineries installed as per the Annexure -1. There shall be extra machines for meeting the break up eventuality whenever happens.
2. The infrastructure will be developed for strengthening the cooperative to sustain by providing Minimum Support Price (MSP) as in the Annexure-1, for the raw milk produced by the farmers. The minimum support price shall be in collaboration with the Milk Union as the milk union will be procurement and marketing agency of the raw milk produced by the farmers through Dairy Cooperative Societies and the FSSAI unit of Department of Health. The particular DCS shall be registered with FSSAI as single unit for the milk procurement, which will enable the DCS to be punished under FSSAI regulation for supplying adulterated milk.
3. To strengthen the MSP of milk the milk procurement machanism will be tightened as per the **Food Safety and Standards Act, 2006 (34 of 2006)** of **Food Safety and Standards Authority of India** relates to Food Safety and Standards (Licensing and Registration of Food Businesses) Regulations, 2011. The standard **fat and solid not fat percentage** will be regulated and procured raw milk from the farmer at the MSP rate. This will require establishment of Milk Lab. at Dairy plants and Automatic Milk Collection Units (AMCU) to the Established 69 Dairy Cooperative Societies, which is a computer based raw milk testing machines. The AMCU software in computer measures the raw milk and determines the milk quality. The adulteration of milk is also determined through AMCU.
4. The requirement of the Milk Union for Polyfilm, Dairy Chemical and Annual Maintenance of the Dairy Plants shall be meet up by keeping a CORPUS DUND under the ARUN DAIRY at SBI, Nirjuli to be operated by the Managing Director (IDDP) and the Finance and Accounts Officer (FAO) of the Department of AH Vety & Dairy Dev. as per the Annexure-1.
5. The Corpus fund shall remain intact and the interest accrued from the fund shall be utilised for meeting up any eventuality or for purchase of Polyfilm, Dairy Chemicals and Annual maintenance of the plant.

NOTIFICATION

The 17th September, 2018

Subject : Deen Dayal Upadhyaya Swavalamban Yojana

No. PD(SPD)-29/DUSY/2017-18/482.—The Government of Arunachal Pradesh has decided to continue the Deen Dayal Upadhyaya Swalamban Yojana to encourage unemployed youth and entrepreneurship and to gain access to low cost capital for entrepreneurship.

- Under this scheme, a provision of 40% front ended capital investment subsidy to the beneficiaries has been made who wish to set up small and medium enterprises with a loan from ₹ 10,00 lakhs upto ₹ 50.00 lakhs of the project cost. The cost of land and building shall be excluded from the project cost.
 - The loan component would be 30% to 50% of the project cost. The cost of land and building shall be excluded from the project cost.
 - Entrepreneurs would be required to contribute at least 10% to 30% of the project cost as their contribution. Preference will be given to those who contribute a greater proportion. The cost of land and building shall be excluded from the project cost.
 - Women entrepreneurs will be additionally eligible for 5% interest subsidy annually provided the entrepreneur does not become Non-Performing Asset (NPA).
2. The sectors covered under this scheme are :-
- Food-processing units in agriculture horticulture and allied sectors includes packaging cold chain storage, milk processing etc.
 - Eco-tourism including home stays and tour operators.
 - Traditional textile weaving for modernisation of traditional looms and purchase of new looms to start a new weaving unit.
 - To be set up Small scale manufacturing units/bamboo processingunits/ service centres/diagnostic.
- (Preference to be given to those unemployed youths having Degree/Diploma holders in Tourism and Hospitality, ITI or any other technical degree/diploma related to Febrication.. IT, Mobile repairing, Motor Garage etc. Preference will also be given to private doctors for opening of medical clinic and diagnostic centers in the Border CD blocks. However the clinical fees shall be fixed at a reasonable rate).
3. A District Level Screening Committee would screen the loan applications.
- The District Level Screening Committee shall comprise of the following :-
- | | |
|-----------------------------------|--------------------|
| (a) Deputy Commissioner | — Chairman |
| (b) ADC HQ | — Member |
| (c) District Industries Officer | — Member |
| (d) District Agriculture Officer | — Member |
| (e) District Horticulture Officer | — Member |
| (f) District Fishery Officer | — Member |
| (g) District Textile Officer | — Member |
| (h) District Tourism Officer | — Member |
| (i) District Lead Bank Manager | — Member |
| (j) District Planning Officer | — Member Secretary |

4. Based on the budgetary provision, Planning & Investment Division of Finance, Planning & Investment Department will convey District-wise yearly target to the Deputy Commissioners. The State Government will reserve the right to review the targets, if necessary.
5. District Planning Officer (DPO) will function as Entrepreneurship Development Officer. The prospective entrepreneurs should submit their applications in prescribed format as at **Annexure ‘A’** along with the educational qualifications and make a presentation before the District Level Screening Committee which would meet at least once a month.
6. While submitting the project proposals at the District level, the candidate will have to submit a concept note in the standard format. The screening committee will first scrutinize the proposals by involving Bank Managers. The short listed candidates will have to make PPT presentation before the District committee before it is forwarded to the concerned banks. The concerned bank managers should satisfy themselves that the project proposals is bankable and also ensure that all relevant documents for loan are enclosed with the application. The viability of the project shall be determined by the concerned Bank and will be sanctioned by the Bank.
7. The commitment by the State Government will be only in the form of a guarantee to release front ended subsidy by the State Government subject to the condition that any Scheduled Bank should be authorized to advance loan against the project of the applicant and the onus of availing the loan from the scheduled bank will be entirely and entirely the responsibility of applicant.
8. The Planning and Investment Division will take necessary steps for obtaining A/A and E/S from the competent authorities and transfer subsidy amount to the bank. A Mutually agreed amount may be placed with the bank in advance which will act as buffer for this purpose. Thereafter, the bank will consider the application of the candidate for loan. Once the loan is approved, the same will be conveyed by the Bank to the Planning and Investment Division through Lead Bank Manager monthly wise for information.
9. Any request for review may be re-submitted to the District Committee only for appropriate decision. Since, there is a loan component in the scheme which has to be decided by Banks depending on the bankability of the project.
10. As governed by the various Acts of the Government in force, Collateral Security charged to the bank can be sold without restriction accordingly.
11. Any diversion of funds/misutilisation of funds may be governed as per relevant existing acts of the Government / Bank.
12. State Government will not provide any guarantee for loan default. It shall be administered as per the banking norms of the concerned banks.
13. This is issued with the approval of Hon'ble Chief Minister.

Himanshu Gupta, IAS
Special Secretary (Planning & Investment),
Government of Arunachal Pradesh,
Itanagar.

 - (e) multiple disabilities from amongst persons under clauses (a) to (d) including deaf-blindness in the posts identified for each disabilities.
- (2) The posts identified for each disability under Section 34 of the Act shall be treated as horizontal reservation and the vacancies for persons with benchmark disabilities shall be maintained as a separate class;

Provided that where the nomenclature of any post in the State Government is different from the posting Central Government or any post in the State Government does not exist in any department of the Central Government, the matter shall be referred to the expert committee constituted under rule 11 for identification of the equivalent post in the State Government. The said expert committee shall identify the equivalent post on the basis of nature of job and responsibility of each post.

- (3) Where in any recruitment year any vacancy reserved under this rule cannot be filled up due to non-availability of a suitable person with benchmark disability or for any other sufficient reason, such vacancy shall be carried forward and filled up as per provisions of Section 34(2) of the Act.
- (4) While selecting a person for appointment on any post identified suitable for any category of persons with benchmark disabilities, if other things are equal between such persons with benchmark disability and the person without any disability, preference shall be given to the person with benchmark disability even in the excess of the reservation prescribed for them, irrespective of when the posts reserved for persons with disabilities have been filled up or not.
- (5) Reservation in posts identified for one or two categories :
- (a) If a post is identified suitable only for one category of disability, reservation in that post shall be given to persons with that disability only;
 - (b) Reservation of 4% shall not be reduced in such cases and total reservation in the post will be given to persons suffering from the disability for which it has been identified;
 - (c) If in case the post is identified suitable for two categories of disabilities, reservation shall be distributed between persons with those categories equally, as far as possible. It shall, however, be ensured that reservation in different posts in the establishment is distributed in such a way that the persons of all four categories of disabilities, as far as possible, get equal representation.

15. Maintenance of Rosters: (1) All establishments shall maintain a separate 100 point reservation for determining/effecting reservation for the persons with benchmark disabilities.

- (2) Each register shall have cycle of 100 points and each cycle of 100 points shall be divided into four blocks, comprising the following points:

1st Block – Point No. 1 to point No. 25

2nd Block – Point No. 26 to point No. 50

3rd Block – Point No. 51 to point No. 75

4th Block – Point No. 76 to point No. 100

- (3) Point 1, 26, 51 and 76 of the roster shall be earmarked and reserved for persons with benchmark disabilities – one point for each of the three categories of benchmark disabilities mentioned in clauses (a), (b) and (c) and one point for categories of benchmark disabilities mentioned in clauses (d) and (e) of rule 14(1). The head of the establishment shall decide the categories of disabilities for which the points 1, 26, 51 and 76 shall be reserved keeping in view all relevant facts.
- (4) All the vacancies shall be entered in the relevant roster register. If the post falling at Point No. 1 is not identified for the persons with benchmark disabilities or the head of the establishment considers it desirable not to fill it up by a person with benchmark disabilities or it is not possible to fill up that post by the persons with benchmark disabilities for any other reason, one of the vacancies falling at any of the points falling from point 2 to 25 shall be treated as reserved for the persons with benchmark disabilities and filled as such. Likewise a vacancy falling at any of the points from 26 to 50 or from 51 to 75 or from 76 to 100 shall be filled by the persons with benchmark disabilities. The purpose of keeping points 1, 26, 51 and 76 as reserved is to fill up the first available suitable vacancy from 1 to 25, first available suitable vacancy from 26 to 50, first available suitable vacancy from 51 to 75 and first available suitable vacancy from 76 to 100 by persons with benchmark disabilities.
- (5) If in case none of the vacancies from 1 to 25 is suitable for any category of the persons with benchmark disabilities, then two vacancies from 26 to 50 shall be filled as reserved for persons with benchmark disabilities. If the vacancies from 26 to 50 are also not suitable for any category, three vacancies shall be filled as reserved from the third block containing points from 51 to 76. This means that if no vacancy can be reserved in a particular block, it shall be carried into the next block.
- (6) After all the 100 points in the roster have been covered a fresh cycle of 100 points shall start.
- (7) If the number of vacancies in a year is such as only to cover one block or two, discretion as to which category of the disabled should be accommodated first shall vest in the head of the establishment, who shall decide on the basis of the nature of the post, the level of representation of the specific disabled category in the concerned grade/post etc.

16. Exemption under Section 34 : (1) Where an appointing authority is of the opinion that functions or certain jobs of the post reserved under these rules cannot be carried out by the persons with benchmark disabilities, the appointing authority concerned shall indicate such post(s) to the State Commissioner for allowing exemption from the operation of the reservation prescribed in rule 14 of these rules.

OFFICE MEMORANDUM

The 7th January, 2008

Subject : **Selection of candidates for appearing in Viva-Voce test on the basis of Recruitment Examination procedure thereof.**

It has been brought to be notice of the Government that various appointing authorities are selecting candidates for viva-voce test on the basis of one or two subject of written examination ignoring other equally important papers and without following a uniform pattern. As a result, the ratio of candidates selected per vacancy varies from one examination to other without maintaining common practice on prescription of ratio or cut off marks even the candidates are selected in the ratio of 1:2:3. The issue was under examination of the Administrative Reforms Department and has found that no such procedure had been laid down earlier nor such procedures have been prescribed in the relevant Recruitment Rules.

After careful examination of the issue and in modification of point No. 2.&3 of the OM dated 28-08-2006, the Government of Arunachal Pradesh has decided to prescribe the following procedures for all direct recruitment examinations for appointment to Group-A, B&C posts/services under the Government of Arunachal Pradesh :-

1. For appearing in the viva-voce test, candidates shall be selected in the 'ratio' of 1:3 (meaning 3 candidates shall be selected for each vacancy or 3 (three) times of the number of vacancies) on the basis of written examination papers. However, ratio of 1:3 shall not apply in case the candidates appearing the written examination is less then 3 times of the number of vacancies. In case of the candidates appearing in the written examination is less then 3 times of the number of vacancies, all the candidates securing 33% of marks in each written examination papers shall be eligible for appearing viva-voce test.
2. The candidates securing a minimum of 33% or more marks in each written examination papers and has secured 45% of marks out of aggregate total marks in the written examination papers shall be eligible for viva-voce test. On the other, it will further mean that selection for viva-voce test shall be based on the aggregate total marks secured in the written examination papers and subject to ratio of 1:3. The candidates securing less then 33% of marks in any of written examination paper shall not be eligible for appearing in the viva-voce test.
3. The Selection Committee or Commission may lower the cut "off mark's of 45% to certain extent, in case of non-availability of Arunachal Pradesh Schedule Tribe candidated securing the 'cut off mark's".

Therefore, all appointing authorities are requested to comply, with the above guidelines while conducting recruitment examinations for appointment to Group 'A' 'B' & 'C' level of posts/services.

Secretary (AR),
Government of Arunachal Pradesh,
Itanagar.

OFFICE MEMORANDUM

The 3rd December, 2018

Subject : Official dealings between the Administration and Members of Parliament and State Legislatures-Observance of proper procedure.

No. AR-134/2018/420.—The undersigned is directed to refer to this Department's Office Memorandum No. OM-48/2007 dated 13th December, 2007 (copy enclosed). The undersigned is further directed to forward herewith a copy of the Office Memorandum No. 11013/4/2018-Estt. A-III dated 11th October, 2018 issued by the Department of Personnel and Training, Ministry of Personnel, Public Grievances and Pensions, Government of India, New Delhi on the above mentioned subject for rationalizing the instruction in department under the Government of Arunachal Pradesh.

(By order and in the name of Governor of Arunachal Pradesh).

Thomas George
Under Secretary to the
Government of Arunachal Pradesh,
Itanagar.

OFFICE MEMORANDUM

The 13th December, 2007

Subject : PROCEDURE TO BE OBSERVED WITH REFERENCE TO CORRESPONDANCE WITH MEMBERS OF PARLIAMENT/MEMBERS OF LEGISLATIVE ASSEMBLY-REGARDING.

No. OM-48/2007.—It has been brought to the notice of the Government from certain Members of Parliament/State Legislatures that instances have occurred in which Members of Legislature have not been accorded by Government Officers the consideration and regard which their position in the public life of the country requires. The letters written by them to the Ministries/Departments are not given desired attention. The Government of India has also informed that Parliamentary Standing Committee has expressed anguish over the fact that the bureaucrats do not respond to queries of the Members of Parliament/State Legislatures, which of great public importance. The Committee has further recommended that the bureaucrats should be given sufficient training on Public Relations so that they are able to handle the queries of the general Public and particularly the members of Parliament/State Legislature, with utmost respect and decorum.

Considering the above position and to ensure Prompt and expeditious disposal of the matters pertaining to the Members of the Parliament/State Legislature, the following provisions are substituted against the existing Para 112 and 113 of the Manual Office of Procedure, Government of Arunachal Pradesh. All the concerned are requested to observe the procedure scrupulously while handling the communications received from the Members of Parliament/State Legislature.

Para-112 (a) Corresponding with Members of Parliament/State Legislature :

1. Communications received from Members of Parliament/State Legislature should be attended to promptly.
2. Where a communication is addressed to a Minister, it should as far as practicable, be replied to by the Minister himself. In other cases, a reply should normally be issued over the signature of an officer not below the rank of Secretary;
3. Where, however, communication is addressed to the head of an attached or subordinate office, Public sector Undertakings, Financial Institutions/Branch in-charge in a Ministry/Department/Organization it should be replied to by the addressee himself. In routine matters, he may send an appropriate reply on his own. In Policy matters, however, the officer should have prior consultation with higher authorities before sending a reply. It should, however, be ensured that minimum level at which such replies are sent to Members of Parliament is that of Under Secretary and that also in letter form only ;
4. Normally information sought by a Member should be supplied unless it is of such a nature that it would have been denied to him even if asked for on the floor of the Houses of Parliament/Assembly.
5. As far as possible, in corresponding with Members of Parliament/State Legislature, pre-printed or cyclostyled replies should be avoided ;
6. In case a reference from an ex-member of Parliament/Member of Legislative Assembly is addressed to a Minister or Secretary, reply to such reference may be sent by the concerned Divisional Head after obtaining approval of the Secretary of the Ministry/Department. In case the reference is addressed to a lower level officer, reply to such reference could be sent by the officer on his own in non-policy cases and after obtaining approval of the higher authorities in policy cases. However, the minimum level at which reply could be sent should be that of an Under Secretary and that too in letter form only.

(b) Prompt response to letter received :

1. Each communication received from the Member of Parliament/Member of Legislative Assembly, a member of the public, a recognized association or a public body will be acknowledged within 15 days, followed by a reply within the next 15 days of acknowledgement sent.

2. Where (i) delay is anticipated in sending a final reply, or (ii) information has to be obtained from another Ministry or another office, an interim reply will be sent within a month (from the date of receipt) indicating the possible date by which a final reply can be given.
3. If any such communication is wrongly addressed to a department, it will be transferred promptly (within a week) to the appropriate department under intimation to the party concerned.
4. Where the request of a member of the public cannot be acceded to for any reason, reasons for not acceding to such a request should be given.
5. As far as possible, request from members of the public, should be looked at from the user's point of view and not solely from the point of view of what may be administratively convenient.

113. Watch on disposal of communications received from Members of Parliament :

- (1) The personal section of each Under Secretary/Deputy Secretary/ Joint Secretary (if the Under Secretary submits cases direct to Secretary/Joint Secretary) will maintain a separate register of communications received from Members of Parliament/State Legislature in the form given in Appendix-30 (enclosed). The serial number at which a letter is entered in this register will be prominently marked on that letter together with its date of registration e.g.

**125/JS/(P)MP
20-03-2002.**

- (2) To keep a special watch on speedy disposal of communications received from Members of Parliament, each section will ;
 - (a) Maintain a register as in form in Appendix-31 (enclosed) ; and
 - (b) Mark out prominently those communications finally disposed of by rounding off the serial numbers of the register in red ink.
- (3) If for any reason an M.P's /MLAs letter is received by a section without being registered in the Personal section of the Joint Secretary/Director, immediate steps will be taken to get it registered there ;
- (4) On the first working day of each month, each section will submit the register along with the report in form at Appendix-32 (enclosed) to the Under Secretary/Deputy Secretary. The report with remarks of the Under Secretary/Deputy Secretary will be submitted to the Joint Secretary/Deputy Secretary and register will be returned to the section.
- (5) The personal section of the Joint Secretary/Deputy Secretary/Under Secretary will check whether all the Communications entered in its register figure in the reports sent by the sections. If any discrepancy is found, it should be reconciled. Thereafter, the report will be submitted to the Joint secretary/Deputy Secretary/Under Secretary for scrutiny and for such other action as he may consider appropriate.

Therefore, All Ministries/Departments/Offices are requested to comply the aforementioned procedure and guidelines in future and also bring this to the notice of all concerned for strict compliance.

Tabom Bam
Chief Secretary to the
Government of Arunachal Pradesh,
Itanagar.

OFFICE MEMORANDUM

The 7th February, 2018

Subject : Official dealings between the Administration and Members of Parliament and State Legislatures-Observance of proper procedure.

No.11013/4/2018-Estt.A-III.— The Members of Parliament and State Legislatures, as the accredited representative of the people, occupy a very important place in our democratic set-up. In connection with their duties, they often find it necessary to seek information from the Ministries/Departments of the Government of India or the State Governments, or make suggestions for their consideration or ask for interviews with the officers.

(2) The guidelines concerning official dealings between Administration and Members of Parliament and State Legislatures have been issued by the Ministry of Personnel, Public Grievances and Pensions and reiterated from time to time. The provisions of the Central Secretariat Manual of Office Procedure regarding prompt disposal of communications from MPs have also been reiterated from time to time. However, keeping in view the instances of occasional non-observance of the above guidelines, need was felt by the Committee of Privileges of the Lok Sabha for consolidating and reiterating the existing instructions. Accordingly, revised comprehensive guidelines were issued by this Department vide Office Memorandum No. 11013/4/2011-Estt. (A) dated 1st December, 2011 (copy enclosed). A copy of former Secretary (P)'s D.O. No./ 11013/4/2011-Estt. (A) dated 9th October, 2012 and O.M. No. 11013/2/2012-Estt. A dated 19th November, 2014 reiterating the said instructions are also enclosed for ready reference.

(3) The Committee on Violation of Protocol Norms and Contemptuous Behaviour of Government Officers with Members of Lok Sabha in its Second Report tabled in the Lok Sabha on 4th January, 2018 has recommended that the consolidated instructions/guidelines on Official dealing between the Administration and Members of Parliament and State Legislature should strictly be complied by all the Government servants, both in letter and spirit.

(4) The Committee on Violation of Protocol Norms and Contemptuous Behaviour of Government Officers with Members of Lok Sabha in Paragraph 43 of its Third Report Tabled in the Lok Sabha on 4th January, 2018 has recommended discouraging and desisting the State Governments to involve Private companies/agencies in organizing/sponsoring functions which essentially fall under the domain of State Governments.

(5) All Ministries/Departments are requested to ensure that the above basic principles and instructions are followed by all officials concerned, both in letter and spirit. Violation of the guidelines laid down on this subject will be viewed seriously.

(6) Chief Secretaries of all States/UTs are requested to circulate these instructions to all State Government officials at the State/Division and District levels and to periodically review implementation.

OFFICE MEMORANDUM

The 1st December, 2011

Subject : Official dealings between the Administration and Members of Parliament and State Legislatures-Observance of proper procedure.

No.11013/4/2011-Estt.(A).— The Members of Parliament and State Legislatures as the accredited representative of the people, occupy a very important place in our democratic set-up. In connection with their duties, they often find it necessary to seek information from the Ministries/Departments of the Government of India or the State Governments, or make suggestions for their consideration or ask for interviews with the officers. Certain well-recognized principles and conventions to govern the relations between the Members of Parliament/State Legislatures and Government servants have already been established.

(2) Reference is invited to the guidelines concerning the official dealings between Administration and Members of Parliament and State Legislatures which were issued by the Cabinet Secretariat (Department of Personnel and Administrative Reforms, in the O.M. No. 25/19/64-Estt. (A) dated 8th November, 1974). The importance of adherence to these guidelines was reiterated in the Department of Personnel and Training's O.M. No. 11013/6/2005-Estt. (A) dated 17th August, 2007. The provisions of the Central Secretariat Manual of Office Procedure regarding prompt disposal of communications from MPs have also been reiterated by the Department of Administrative Reforms and Public Grievances. The Minister of State for Personnel, Public Grievances and Pensions has also written to all Ministers in this regard vide D.O. letter dated 5th May, 2011, requesting that a mechanism may be set up to periodically monitor progress in disposal of references received from Members of Parliament.

(3) Some instances of non-adherence to the existing guidelines have been brought to Government's attention by Members of Parliament and a need has been felt for again sensitizing all administrative authorities concerned.

(4) The Central Secretariat Manual of Office Procedure provides following instructions for prompt disposal of letters from Members of Parliament—

Correspondence with Members of Parliament—

- (1) Communications received from a Member of Parliament should be attended to promptly.
- (2) Where a communication is addressed to a Minister or a Secretary to the Government, it should, as far as practicable, be replied to by the Minister or the Secretary himself as the case may be. Where it is not practicable for the Minister to reply, a reply should normally be issued under the signature of an officer of the rank of Secretary to the Government.
- (3) Where a communication is addressed to the head of an attached or subordinate office, Public Sector Undertakings, Financial Institution (including nationalized banks) Division/Branch in charge in a Ministry/Department/Organization, it should be replied to by the addressee himself. In such cases, care may be taken to ensure that wherever policy issues are involved, approval of the competent authority is obtained before a reply is sent. It should, however, be ensured that the minimum level at which such replies are sent to Member of Parliament is that of Under Secretary and that also in a polite letter form only.
- (4) Information sought by a Member of Parliament should be supplied unless it is of such a nature that it would have been denied to him, if similar information had been sought in Parliament.
- (5) While corresponding with Members of Parliament, it should be ensured that the letter is legible. pre-printed or cyclostyled replies should be scrupulously avoided.
- (6) In case a reference from an ex-member of Parliament is addressed to a Minister or Secretary, reply to such reference may be sent by the concerned Divisional Head after obtaining approval of the Secretary of Ministry/Department.

In case the reference is addressed to a lower level officer, reply to such reference could be sent by the officer on his own in non-policy cases and after obtaining approval of the higher authorities in policy cases. Here also, it may be ensured that the minimum level at which a reply is sent is that of an Under Secretary and that too in a polite letter form only.

Prompt response to letters received—

- (1) Each communication received from the Member of Parliament, a member of the public, a recognized association or a public body will be acknowledged within 15 days, followed by a reply within the next 15 days of acknowledgement sent.

- (2) Where a delay is anticipated in sending a final reply, or where the Information has to be obtained from another Ministry or another office, an interim reply may be sent within a month (from the date of receipt of the communication) indicating the possible date by which a final reply can be given.
- (3) If any such communication is wrongly addressed to a department, it should be transferred promptly (within a week) to the appropriate department under intimation to the party concerned.

5. The aforesaid guidelines also cover Official dealings between Administration and Members of Parliament/ State Legislatures. In this context, attention is also invited to Rule 3(2A) of All India Service Conduct Rules, 1968 and Rule 3-A of Central Civil Service (Conduct) Rules, 1964 which provide as follows :-

Every member of the service shall in the discharge of his duties act in a courteous manner and shall not adopt dilatory tactics in his dealings with the public or otherwise.

The existing instructions are hereby appropriately strengthened to emphasize the basic principles to be borne in mind by the Government servants while interacting with the Members of Parliament and State Legislatures. These are as follows :-

- (i) Government servants should show courtesy and consideration to Members of Parliament and State Legislatures ;
- (ii) While the Government servants should consider carefully or listen patiently to what the Members of Parliament and of the State Legislatures may have to say, the Government servant should always act according to his own best judgment and as per the rules ;
- (iii) Any deviation from an appointment made with a Member of parliament/State Legislature must be promptly explained to him to avoid any possible inconvenience. Fresh appointment should be fixed in consultation with him ;
- (iv) An officer should be meticulously correct and courteous and rise to receive and see off a Member of Parliament/State Legislature visiting him. Arrangements may be made to receive the members of Parliament when, after taking prior appointment, they visit the officer of the Government of India, State Government or local Government. Arrangements may also be made to permit entry of vehicles of the Members to these Offices subject to security requirements/restrictions ;
- (v) Members of Parliament of the area should invariably be invited to public functions organized by a Government office. Proper and comfortable seating arrangements at public functions and proper order of seating on the dais should be made for Members keeping in view the fact that they appear above officers of the rank of Secretaries to Government of India in the Warrant of Precedence ; The invitation cards and media events, if Organized for the function held in the constituency, may include the names of the Members of that constituency who have confirmed participation in these functions.

It is clarified that if a constituency of any Member of Parliament is spread over more than one District, the M.P. should invariably be invited to all the functions held in any of the Districts which are part of his/her constituency ;

- (vi) Where any meeting convened by the Government is to be attended by Members of Parliament, special care should be taken to see that notice is given to them in good time regarding the date, time, venue etc. of the meeting. It should also be ensured that there is no slip in any matter of detail, however minor it may be. It should especially be ensured that :-
 - (a) intimations regarding public meetings/functions are sent through speedier communication device to the M.Ps. so that they reach them well in time, and
 - (b) that receipt of intimation by the M.P is confirmed by the officer/official concerned ;
- (vii) Letters from Members of Parliament and Members of State Legislatures must be promptly acknowledged, and a reply sent at an appropriate level expeditiously as per the relevant provisions of the Central Secretariat Manual of Office Procedure ;
- (viii) Information or statistics relating to matters of local importance must be furnished to the MPs and MLAs when asked for. The information so supplied should be specific and answer the points raised. A soft copy of the information should also be sent to the Member via e-mail ;
- (ix) If the information sought by a Member of Parliament cannot be given and is to be refused, instructions from a higher authority should be taken and the reasons for not furnishing the information should be given in the reply ;
- (x) Wherever any letter from a Member of Parliament is in English and the reply is required to be given in Hindi in terms of the Official Languages Act, 1963 and the rules framed there under, an English translation should also be sent along with the reply for the convenience of such Members of Parliament from non Hindi speaking areas ;

- (xi) References from the Committees of Parliament must be attended to promptly ;
- (xii) The officers should not ignore tetelephonic messages left for them by the Members of Parliament/ State Legislatures in their absence and should try to contact at the earliest the Member of Parliament/State Legislature concerned. These instructions also include SMS and e-mails received on official mobile telephones which also should be replied to promptly and on priority ;
- (xiii) All Ministries/Departments may ensure that the powers of Members of Parliament/State Legislatures as Chairpersons/Members of committees under various Centrally Sponsored/Central Sector government schemes are clearly and adequately defined ; and
- (xiv) A Government servant should not approach MPs/MLAs for sponsoring his individual case as bringing or attempting to bring political or non-official or other outside influence is prohibited under the conduct Rules e.g. Rule 18 of the All India Service (Conduct) Rules, 1968 and Rule 20 of the Central Civil Services (Conduct) Rules.

6. All Ministries/Departments are requested to ensure that the above basic principles and instructions are followed by all officials concerned, both in letter and spirit. Violation of the guidelines laid down on this subject will be viewed seriously.

7. Any violation of relevant Conduct Rules in this regard, which violation is established after due enquiry will render the Government servant concerned liable for appropriate punishment as per Rules.

C. A. Subramanian
Joint Secretary to the
Government of India.
